

Missions Update Newsletter

We have had several church services in our home since launching at the end of September. It has been so wonderful feeling the joy and presence of the Lord with our little group. Our work here is going well, and we are seeing God move in the lives of people who we minister to. But, there is much work to do, and we are learning to be patient, and are stopping to take the time to listen to the Spirit and leading of the Lord. We are so excited to share this journey with you all, and we appreciate your interest in missions and the work of the Lord that we are part of here in New Zealand. Thank you for your prayers and for your financial support! Please scan the QR code below for a link to the website to begin your monthly support or to send a one-time gift. God bless you!

Enjoy the photographs from our home services and other church events that we have been a part of this past month. We would love to hear from you. Please send us an email at dserwin@erwinministries.org or connect with on Facebook by searching for Erwin Ministries.

Home church services—worshipping in song and hearing God's Word together

⇨ Ladies meeting in our home hosted by Sis. Mendy Erwin

Sis. Erwin so enjoyed hosting the Pentecostals of Auckland Ladies Tea recently. They had a beautiful time of worship, food, fellowship, and making candles together. Sis. Erwin was asked to speak a word of encouragement; it is spring here in the southern hemisphere, and she ministered about the need for "Spiritual Spring Cleaning."
