

Zooooommm

Hey wait a minute! Did you see that go by? Yeah, it was September! The whole month just flashed before our eyes and now here we are in October. For folks in the Northern hemisphere autumn is approaching. Meanwhile for us here in New Zealand, the Southern hemisphere we are well into spring.

Sis. Erwin attended the 2025 UPCNZ Ladies Retreat and taught a class on how to manage anxiety. Sis. Jenifer Williams from Alexandria Louisiana ministered in a mighty way and it has been reported that 17 were filled with the Holy Spirit with the evidence of speaking in a heavenly language for the first time, and many healings took place.

September had one unexpected turn, Bro. Erwin's trip to Papua New Guinea was cut short due to a visa issue, and he was sent back to Australia upon arrival. It was frustrating and disappointing and though plans changed, we still trust that God orders our steps, even when the path is blocked or unclear. His purpose prevails. With missionary work we must remain ready for the unexpected and remain strong even in the face of opposition.

On Sunday the 28th we celebrated our first year anniversary in our home church. What an incredible blessing and privilege to be a part of seeing the wonder working power of Christ working in our community. With your sacrificial giving what we're all building here will have an eternal effect on so many people. Our services have been uplifting, encouraging and impactful.

Thanks FOR EVERYTHING
