

Missions Update Newsletter

Our family just arrived in New Zealand in the evening of Good Friday! As your appointed ALJC missionaries, we are ready to dive into our divine mission. I can't express enough gratitude for the overwhelming support and prayers from individuals, churches, families, and friends. Your backing is our lifeline as we face important decisions like choosing a location to live and acquiring a vehicle. We're still in need of funds to purchase a vehicle, a necessity for our work here. If you're feeling called to help, please don't hesitate to reach out and let us know, we'll provide you with the information how you can help us.

Adjusting to the unique challenges of driving on the opposite side of the road and deciphering unfamiliar road signs and driving customs has required us to be focused and very vigilant, to say the least. Communicating with close friends and family back in Indiana and realizing that we won't see them for a long, long time is a big adjustment. Yet, amid these initial obstacles, our resolve remains unshaken. We're eager to embrace the opportunities ahead, knowing that with help of God along with

your continued support and prayers, we can overcome any hurdle that comes our way. Thank you for being with us on this journey.

We celebrated "Resurrection Sunday" here in Auckland. We joined together with the Pentecostals of

Auckland in praise and worship together. We were privileged to also be in the service with retired missionary Loretta Moreau. She and her late husband were the first Apostolic missionaries to bring the message of full truth of gospel salvation to this island nation.

As we drove on the streets and the motorway here in Auckland the reality set in that we are here. There are so many things that God has orchestrated to get us to where we are at today. Many of you

have had a hand in what God is doing. Thank you for listening to that voice of the Lord and stepping up. It reminds me of the Scripture Deuteronomy 31:8 "And the LORD, he it is that doth go before thee; he will be with thee, he will not fail thee, neither forsake thee: fear not, neither be dismayed."

If you're struggling today or facing tough decisions let me encourage you and tell you that if God can provide a way for the Erwin family, then I know without a doubt that Jesus can open the door for you in your situation as well. He is able, draw close to Jesus and lean on His word and tap into the Spirit. Serve the Lord with all your heart today and watch and see just what God can do.

We serve a GREAT God and we are carrying the banner and marching into victory. God bless you.

Thank you
