

Missions Update Newsletter

It cannot be said enough how important your prayers are! Prayer opens a direct channel to God Almighty himself; prayer moves the very heart and mind of God and opens doors that no one can shut. When spoken in tandem with the Word of God, they can move mountains from our lives, heal our sickness and disease, strengthen our minds and hearts, and make room for the Holy Spirit to move in us and through us as well as in the lives of those around us.

The Bible encourages us in James 5:16 to pray for one another and that the earnest, heartfelt, continued prayers of a righteous person makes tremendous power available, dynamic in its working.

Recently, we were invited by a national Apostolic group here in New Zealand to become a part of leading daily focused prayers live online. These sessions are then recorded for others to view and pray along with at a later time if the individuals cannot be on the live prayer. Brother and Sister Erwin are each assigned a day to lead prayer several times a month in the rotation of ministers and leaders who help guide these early morning prayers. What a blessing to be a part of this ministry that reaches all over the country of New Zealand (and beyond), and to be working together with our brothers and sisters in the Lord!

In Philippians 4:6 we are told, "Do not be anxious about anything, but in everything by prayer and supplication (specific, earnest requests) with thanksgiving let your requests be made known to God." We must keep that line of communication to God open at all times, ready to hear from Him as well as make our requests and concerns known to Him. Although He already knows our needs, He loves to hear from each and every one of His children, and is always ready to listen.

HOW YOU CAN PRAY FOR THE MISSIONS WORK IN NZ

- * That Sis. Mendy's New Zealand Permanent Residence Visa will be approved quickly with no issues!
- * For divine favor and supernatural breakthrough that will allow us to start a church group here in Browns Bay, a suburb of Auckland, and that the Gospel will spread throughout the country of New Zealand.
- * For God's anointing & direction to be ever-present in everything we say and do to reach the souls of NZ.
- * For provision & protection, that God will keep us safe and provide our every need, so that we may do the work He has called us to without distractions or hindrances.
- * That our family relationships will be strong and stay a priority; that God will bind us together with His love, and give us strength and encouragement as we work together here in New Zealand.
- * For divine connections with key people in our community and lead us to hungry hearts who are searching for what only God can provide in their lives. That the seeds we sow fall on good ground, germinating and growing Apostolic Christians that will in turn be soul winners!
- * That any and all barriers or hindrances that would try to slow or stop the expansion of the Gospel message here in New Zealand would be removed.
- * That the leaders of New Zealand will receive the truth and be converted.
- * For unity, that fellow laborers in the harvest will work with one another to win the souls of New Zealand.

We are so grateful for every prayer that you pray for our family, our mission, and the souls of New Zealand! Thank you for connecting with us online through Facebook, Instagram, and YouTube, as well as your messages, calls and letters. God bless you!

PRESSING NEED: Monthly Support. We need 10 churches or individuals to partner with us and pledge \$100 per month to help support our efforts here. These beginning stages are so important in our pioneering work in New Zealand. Thank you for your prayerful consideration!

Thank you
