The People You Meet - The Lives That Are Changed

Damien and Mendy Erwin are passionate about missionary work and have a vision to share the gospel with the people of New Zealand. But before they can embark on their mission, they have to raise funds and awareness for their cause. That's why they are currently traveling across the United States, meeting people and sharing their burden for the souls of New Zealand.

The Erwins have been amazed by the generosity and support they have received from churches, families, and individuals who have come alongside them and joined in their ministry. They have also witnessed how God has used their testimony to touch the lives of those they meet along the way. They have seen people commit their lives to Christ, renew their faith, and discover their own calling to serve.

But the journey has also been challenging. The Erwins have faced many obstacles, such as car issues, bad weather, and being away from family. They have had to sacrifice their comfort, security, and stability for the sake of their mission. They have learned to trust God even more and rely on His grace and provision.

The Erwins are so grateful for the opportunity to serve God in this way. They are excited to see what He has in store for them and the work in New Zealand. They are so thankful for the people who have supported them and prayed for them as they have been on this journey. They ask for continued prayers and your financial support as they complete their fundraising goals and prepare for their departure.

The Erwins are changing lives as they share their calling to New Zealand. But they are also being changed as they see how God is working in them and through them. They are living a journey of faith, growth, and service that is inspiring others to do the same.

Thank you
