

Hardly a day goes by without making a connection or finding a place to minister to someone. Whether here in New Zealand or in your community every day is a chance to share the love of God and provide someone with hope.

July has been busy with our church services and Bible study using Bro. Matthew Ball's Disciples Indeed study. We are going through the study each week and everyone is enjoying the time that we get together and share the Word of God. Visit <https://matthewball.org> for more information.

We spent a lot of time in July trying to find a new home to rent but just couldn't find something that is affordable or fits our needs (we have church in our home). So we rented a storage unit and we'll store everything until we return towards the end of the year.

Your giving makes the difference
Thank You

Speaking of return. We are traveling back to the US in the beginning of September. Perhaps we'll be at a church near you.
