Singing and Praise

Jarrod and Sis. Erwin are a part of the Coast Community Church Choral - C4. They are a power packed dynamite group of musicians and singers. They practiced and practiced for several weeks and then in November they sang their first song "Mighty Fortress". Then last weekend they sang their 2nd song "Rest On Us".

We've been experiencing an incredible shift and movement within the church. An outburst of praise and worship fills the air in the church services. The Spirit of the Lord falls and with an open heart and raised hands each person responds to the liberating power of the Holy Ghost. The transformation is miraculous and so exciting.
