April 2026 Vol 4.04

What a great honor and privilege it was to have Bro. Matthew and Sis. Jamie Ball, our ALJC World Missions Director from Carmel, Indiana, come to visit us here in New Zealand. Their visit was a tremendous blessing to our fellowship and to the churches across Auckland. We are grateful the warmth of friendship and also the strength of their spiritual leadership and encouragement. Every moment spent with them reminded us of the global unity of the body of Christ and the shared heartbeat of missions that connects believers across nations.

On Sunday morning, they ministered powerfully at Coast Community Church, where the Word went forth with clarity and anointing, stirring hearts toward a renewed commitment and vision. We traveled down to the south side of Auckland to join the Pentecostals of Auckland for another time of worship and ministry. The Spirit of God moved mightily as Bro. Ball preached with passion and conviction, leaving a lasting impression on everyone present. That evening, we returned to the North Shore, where they ministered at the Pentecostals of North Shore in Browns Bay. Though the day was long, their energy and joy never waned each service carried its own unique touch of God's presence, and we were all deeply strengthened by their ministry.
