1) Winton Point Road Lift Material –

- a. Supervisor Craig Seliskar has heard from MN Power Road contractor Rachel Construction that if they come across material for a 2ft lift on Winton Pt. Road they would be willing to give to us. This is only IF they come across the material. But Supervisor Craig Seliskar wanted to be able to move forward if this was found before our next regular meeting.

- i. Phil Hegfors submitted a bid to level the product that would be received from Rachel Construction, Finish the slope and then add Class 5 to the top of that lift.

Supervisor Roger Murawski made a motion to move forward with any donated material from Rachel Construction and then go ahead with Phil Hegfors bid to finalize Winton Pt Road. Supervisor Hudson Kingston 2nd and Supervisor Craig Seliskar supported.

*** A matter if note – if this material does not get donated or found for this project. We will discuss at our next regular meeting to possibly get bids from all road contractors to utilize Fall Lake Township pit for material and fix the road that way instead.

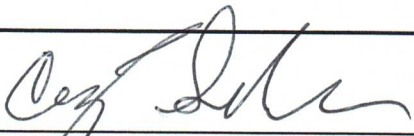

- 2) Jeff Schulze – Brushing bid for Cloquet Line, no action at this time will need to visit in fall again.
