

*The Perfect
Venue for
Your Wedding*

Drinks Reception

Let our team congratulate you and welcome your guests on our patio with lovely views of the Herefordshire countryside. Whether it's a fruity and refreshing glass of Pimms, a celebratory Prosecco or a refreshing sparkling elderflower.

Wedding Breakfast

Our function room is a beautiful light room with exposed wooden flooring.

It is the perfect blank canvas to style as you wish, with all of your personal touches.

White Ivy by Stacey has a fantastic flair for venue styling.

Our wooden floor is perfect for dancing the evening away to your DJ or band.

Food & Drink

Our team will work with you to create a menu for your wedding breakfast, whether you would like a formal sit down 4 course meal, sharing platters or a selection of hot and cold buffets.

We can provide a formal sit down meal for 90 people or up to 120 informally. The function room has its own private bar for guests to purchase drinks or we can arrange an open bar service, for some or all of the celebration.

For your evening reception, we can provide a choice of buffets, a hog roast or hot filled baps.

Your wedding cake can be cut by the team and served with coffee after the wedding breakfast or alongside your evening catering.

Accommodation

On site we have two letting rooms, a family self contained apartment and a Shepherd's Hut.

Our paddock is perfect for guests to camp, by prior arrangement. Facilities can be hired in at an additional cost.
