

Basketball for Life!

The Senior Women's Basketball Association (SWBA) is awarding tuition grant(s) to young women (ages 12-17) attending schools in San Diego and Imperial Counties. The grant(s) will be given to pay for, or to help defray the cost of, participation in a summer basketball camp or clinic. It is not meant to support tournament participation. Priority will be given to those applying to camp for their first time.

The purpose of each grant is to provide the opportunity for a girl to take part in activities that will help her to increase her individual basketball skills and to encourage participation in women's basketball as a lifetime interest and exercise. The grant must be used during the coming summer (2019) but the dates and lengths of the camps or clinics are not otherwise restricted. One restriction is that camps/clinics must be located in Southern California. Priority will be given to those who wish to attend local University camps (SDSU, USD, UCSD).

The applicants must submit their application, personal statement, copy of latest grades, and two letters of recommendation by March 31, 2019. The application forms can be found at www.swba.info

All applicants will be informed of the grant results by the SWBA via email. The grant check will be paid directly to the camp in the successful applicant's name.

ELIGIBILITY:

- x *Applicant must be a female between 12 and 17 years of age.*
