On March 14th 2020, the President of the United States, declared a state of emergency due to the Coronavirus-19 outbreak.

COVID-19 is the disease caused by the new coronavirus that emerged in China in December 2019.

COVID-19 symptoms include cough, fever and shortness of breath. COVID-19 can be severe, and some cases have caused death.

The new coronavirus can be spread from person to person. It is diagnosed with a laboratory test.

There is no coronavirus vaccine yet.

Prevention involves frequent hand-washing, coughing into the bend of your elbow and staying home when you are sick.

About Me:

Draw or paste a picture of yourself or your family.
