

12<sup>th</sup> Annual Woodstock Fleece Festival – Saturday October 17, 2020

Workshop Proposal

**\*\* Please read carefully – this year we have rented a building that is climate controlled. The rooms are smaller and some shared space will be required. (More than one workshop per room). Some of the space is upstairs, you must be able to come up and down the stairs. Because of the small space we will be offering workshops on Friday afternoon as well as on Saturday. Please fill in all information. **Workshop instructors will be paid at the end of your workshop in Canadian Funds by cheque.****
