

EXEMPLARY PRACTICES CERTIFICATION PROGRAM

COURSE 1

CORE 1 | FOUNDATIONAL PRACTICES

Participants will learn how to develop a clear and inclusive vision, foster a positive school climate, engage in meaningful collaboration with stakeholders, use program evaluation to drive improvement, and design non-traditional education plans that respond to diverse student needs.

COURSE 2

CORE 2 | PEDAGOGICAL PRACTICES

Participants will explore how to design responsive curriculum and instruction, apply effective and equitable assessment methods, and leverage digital and virtual tools to expand student access and engagement.

COURSE 3

ELECTIVE 1 | ADMINISTRATIVE PRACTICES

Participants will reflect on visionary leadership, effective staffing and professional development, student transition planning, and policies and procedures that maintain safe, equitable, and legally compliant learning environments.

COURSE 4

ELECTIVE 2 | STUDENT SUPPORT PRACTICES

Participants will uncover strategies to strengthen parent and guardian engagement, provide effective academic and social-emotional counseling, and connect students with social work supports that meet the diverse needs of students and families.
