- 5.3.8.4 Faculty shall participate in creating, updating, and mapping student learning outcomes onto program level outcomes and institutional level outcomes.

5.4 The forty-three, point seventy-five (43.75) hour work week shall be exclusive of overload and special contract assignments. The work week of full-time unit members with less than a 100% load shall be prorated in proportion to the load.

5.5 Work Loads

For the duration of this Agreement unless otherwise modified in accordance with provisions of this Agreement, the unit member's work load shall be as follows:

5.5.1 For unit members who are providing classroom instruction during the regular school year, a full (100%) load shall be in accordance with Appendix C, or pro rata share thereof.

5.5.2 Counselors, Librarians and the Learning Assistance Center Coordinator employed full time (100%) shall maintain a schedule, subject to approval of the District, consisting of a minimum of thirty-two, point forty-one (32.41) desk/student contact hours and eleven point thirty-four (11.34) hours of other selected tasks as enumerated in Article 5.3. If a Counselor, Librarian or the Learning Assistance Center Coordinator is assigned a teaching assignment during the academic year, he/she will have the option to teach that class as part of their full-time load. Courses taught on load shall not exceed 20% except as approved by the District and agreed to by the Counselor, Librarian or Learning Assistance Center Coordinator. The District may allow a portion of the desk/student contact hours in Article 5.5.2 to be conducted remotely, based upon the needs of the area identified by the District.

- 5.5.3 Coordinator, Student Health Center coordinator, Psychologist, Transfer Center counselor/coordinator, First Year Success Center counselor/coordinator, Foster Youth counselor/coordinator, Career Center counselor/coordinator, Veterans counselor/coordinator, Outreach counselor/coordinator, and Psychologist/coordinator shall maintain a schedule, subject to approval of the District, consisting of forty-three, point seventy-five (43.75) hours per week of which no more than thirty-five (35) hours shall be desk/student contact hours. Unit members referenced in 5.5.3 shall perform those tasks related to their assignments in addition to selected tasks as enumerated in Article 5.3. If a unit member referenced in 5.5.3 is assigned a teaching assignment during the academic year, his/her forty-three, point seventy-five (43.75) hour week shall be reduced proportionally. Non-teaching full-time faculty positions not included in this section shall be added after the position has been approved. The District may allow a portion of the desk/student contact hours in Article 5.5.3 to be conducted remotely, based upon the needs of the area identified by the District.
- 5.5.4 Disabled Student Specialists employed full time (100%) shall maintain a schedule, subject to approval of the District, consisting of a minimum of thirty-two, point eighty-one (32.81) hours of assigned time and ten, point ninety-four (10.94) hours of selected tasks as enumerated above (5.3). If a Specialist is assigned a teaching assignment during the academic year, his/her forty-three, point seventy-five (43.75) hour work week shall be reduced by that proportion of his/her teaching assignment which relates to a normal teaching load. The District may allow a portion of the desk/student contact hours in Article 5.5.4 to be conducted remotely, based upon the needs of the area identified by the District.
- 5.5.5 Project Assignments
- 5.5.5.1 The process for selection of Special Assignment Personnel (SAP), and the determination of the amount of released time granted for project assignments, shall be done in accordance with department-developed procedures, if any, as approved by the District; in the absence of said procedures, the Division Dean shall make these determinations. The length of SAP positions shall be determined by the District and may be modified by the District on a semester-by-semester basis.
- 5.5.5.2 District Assigned Personnel (DAP) render service to meet needs that are college-wide, not division specific. Duties for a new DAP will be included in the recruitment announcement. Selection of a DAP shall be made by the District after consultation with the Association. The District shall notify the Association in writing whenever there is an additional, removal, or change to any DAP position.
- 5.5.5.3 The current DAP and SAP positions are in Appendix I, along with the associated reassigned times as of the signing of this agreement. These positions are current as of the execution of this agreement but subject to modification as set out in 5.5.5.1 and 5.5.5.2.
- 5.5.5.4 The provisions in this article relating to DAPs and SAPS shall apply regardless of the funding source for the position (e.g., general funds, categorical funds, grants funds, or others).

5.5.5.5 The District shall notify the RHCFA in writing of its intention to open a DAP position. The position announcement shall be posted for one week by April 1 of each year. A selection committee shall be comprised of four administrators (President, Vice President of Academic Affairs, Vice President of Student Services, Vice President of Finance and Business or their administrative designees) and one faculty member appointed by the Association who is knowledgeable about the duties and responsibilities of the position. The District may invite additional faculty members to serve on the selection committee, with the consent of the Association. The District retains the right to alter a DAP position based upon the changing needs for the position. The amount of reassigned time for a position may be changed by the District as needed. The length of reassigned time positions shall be for two years, but may be modified or shortened by the District as needed on a semester-by-semester basis.

5.5.5.6 The Curriculum Chairperson and the Online Education Coordinator shall be selected by the members of their respective committees, and not through the process outlined in Article 5.5.5.5.

5.5.6 For the purpose of determining lecture and lab, load hours are defined as a "class hour" of 50 minutes.

5.5.7 A combined class occurs when two (2) different course numbers share the same space and a portion of the same times, including honor courses. For these courses, a 1.67% load factor shall be added.

5.6 Work Load Range

5.6.1 The District shall consider a full-time (100%) unit member's normal load to be within the range of 96%-104% inclusive of the load identified in Appendix C and exclusive of any directed studies assignments.

5.6.2 A one-semester assignment above or below a normal load may be assigned by the District to meet the educational needs of the District. Such an assignment subsequently shall be adjusted by balancing or special assignment as described below.

5.6.3 Balancing of assignments above and below a normal load is a planned scheduling of semester loads that exceed 104% or are below 96%, such that the sum of the loads of two (2) successive semesters falls within the range of 192% and 208%. If unforeseen conditions make it impossible to adhere to the agreed-upon balancing program in the second semester of a planned two-semester balanced assignment, the adjustment by mutual consent of the employee and the District may be made during the third semester.

5.6.4 If balancing of an assignment cannot be arranged over a two-semester period such that the load falls within the normal load, then the percent load of the current assignment that exceeds 100% shall be paid as an overload. If the balancing of an assignment should result in less than an average normal load, then the percent below 100% may be adjusted by special assignment in the current semester of the lower load or, in each semester, if both assignments are underloads. Special

assignments shall be District-approved programs such as, but not limited to, learning center assignments, institutional research, and division/area projects arranged by the District.

- 5.6.5 To calculate the percent load for a special assignment, the number of weekly hours of a special assignment will be divided by forty-three, point seventy-five (43.75) hours and the quotient multiplied by 100. Example: An instructor with a special assignment of eight (8) hours per week would be credited with $8.75/43.75 \times 100 = 20\%$ load. To determine the number of hours of a special assignment, the percentage of the load below 100% will be multiplied by forty-three, point seventy-five (43.75) hours per week. Example: An instructor with an 87.5% load would be required to accept a special assignment $12.5\% \times 43.75 = 5.47$ hours. For activity assignments, the foregoing on assignments above and below normal shall be modified in accordance with Appendix C.
- 5.6.6 Exceptions to the above work load range are subject to mutual agreement of the unit member and the District.

5.7 Overload, Summer School, Part Time and Weekend Assignments

- 5.7.1 Overload, summer school, part-time and weekend assignments shall be subject to mutual agreement of the unit member and the District. Mutual agreement between the unit member and the District shall be indicated by the signing of a schedule reflecting tentative approval of the overload, summer school, part time or weekend assignments. Overload, summer school, part-time and weekend assignments shall be distributed according to such criteria as, but not limited to longevity, areas of specialization, rotation, prior satisfactory District service, availability of instructors, and in accordance with division/area developed procedures as approved by the District. Such assignments shall include but not be limited to additional classes, adult education, mini courses, community services, and directed studies.
- 5.7.2 Fall and Spring overload assignments shall not exceed 40% of a normal load except as approved by the District. Summer assignments shall be governed by Article 24.3.4. The maximum load for Summer shall be 80% except as approved by the District.
- 5.7.3 Any overload or summer school, assignment may be terminated by the District at any time. In the case of such termination, the District shall provide the unit member with the reasons for said termination in writing. The reasons shall not be subject to the grievance procedure except as such reasons violate other provisions of this Agreement.
- 5.7.4 The District and the Association recognize the importance of support services during summer session. The counseling faculty shall have summer session assignments that are distributed in accordance with departmentally-developed procedures. The District shall determine the number of assignments available prior to March 15. The counseling faculty shall return the signed assignment sheets prior to April 15. Counselors will work a minimum shift of four (4) hours.

5.8 Office Hours

- 5.8.1 Full-time unit members with instructional assignments shall schedule at least 3.3 office hours per week for a 16 week schedule. Such hours shall be scheduled to meet the needs of students. Part or all of the office hours may be scheduled remotely. Office hours are subject to the approval of the District.
- 5.8.2 The office hours and location, if other than office, shall be posted in the area of the unit member's office, and the hours shall be used for consulting with and assisting students.

5.9 Scheduling

- 5.9.1 Classes comprising unit member's load (day and evening) shall be scheduled by the District after providing an opportunity for recommendations from the unit members in the division/area. The District shall endeavor to make such evening assignments on an equitable basis.
- 5.9.2 The unit member and the Division Dean shall sign the instructor assignment sheets indicating the tentative schedule for the unit member. If administratively feasible, the signed instructor sheets shall not be modified without prior discussion and subsequent notification to the unit member.
- 5.9.3 Unit members shall not be scheduled for more than three (3) consecutive lecture hours of classes except by mutual agreement of the unit member and the District.
- 5.9.4 For purposes of scheduling only, evening classes will be defined as those classes with the majority of the class time occurring after 4:30 p.m.
- 5.9.5 If the District knows of its intention not to re-employ a part-time or hourly unit member for the subsequent semester, the District shall notify such unit member at least forty-five (45) days prior to the beginning of said semester. This notification provision shall not preclude the District from not re-employing any part-time or hourly unit member at any time as provided by law.

5.10 Attendance at Division/Area and District Meetings

- 5.10.1 Division/area meetings normally shall be held on Tuesdays or Thursdays during the activity period. Full-time unit members shall attend scheduled division/area meetings except as otherwise authorized by the Division Dean or designee.
- 5.10.2 The maximum number of division/area and/or district-wide meetings requiring unit member attendance during the academic year shall not exceed twenty-five (25). Upon mutual agreement of the full-time unit members in a division/area and the Division Dean additional meetings may be scheduled. For district-wide meetings, at least five (5) work days' advance notice shall be provided to unit members except in cases of emergencies. Except in unusual circumstances, mandatory attendance at division/area staff meetings shall be preceded by a five (5) day advance written notice to said staff. Any meetings required for implementation of this agreement involving unit members shall not be counted in determining the maximum number of division/area meetings per academic year.

- 5.10.3 The full-time unit members in the division/area and Division Dean shall attempt to develop a schedule of dates for division/area meetings during the academic year.

5.11 Extended Field Trip Courses

- 5.11.1 A 13% load factor shall be assigned for each class in the series taught for one (1) week. This load credit is derived as follows:

10 hours lecture/week =	.037 load
30 hours lab/week =	.079 load
4 hours orientation prior to trip =	.015 load
Equated to	13% load

- 5.11.2 Field trips which extend beyond a one-week time will be based on the one-week model. A two-week field trip shall be derived as follows:

Two Week Field Trip	
20 hours lecture =	.074 load
60 hours lab =	.158 load
4 hours orientation =	.105 load
	.247 load
Equated to	25% load

5.12 FLEX Calendar

- 5.12.1 For instructional faculty, a maximum of seven (7) FLEX days per year (42 hours), in lieu of instruction, of which up to four and a half (4.5) days (27 hours) may be spent in off-campus activities that are recommended by the FLEX Committee. The remaining two (2) FLEX days shall be spent on campus, one (1) District designed day prior to the start of the Fall semester and one (1) prior to the Spring semester.

5.12.4 The FLEX calendar to be implemented shall be in conformance with the Education Code, Title V, and be approved by the Chancellor's Office and shall also result in a FLEX calendar activities agreement between the individual unit member and the District.

5.12.5 A unit member shall be granted one (1) day of FLEX credit per year for each Peer Review Committee on which he/she is serving that year, to a maximum of five (5) days of FLEX credit per year.

Sabbatical leaves and other approved leaves of absence shall not constitute a break in service. Time spent on a sabbatical or other approved leave of absence shall not be used in computing the five-year full-time service requirement.
- 6.4 The option of part-time employment shall be exercised at the request of the unit member and can be revoked only with the mutual consent of the unit member and the District.
- 6.5 The unit member shall be paid a salary which is the pro rata share of the salary he/she would be earning had he/she not elected to exercise the option of part-time employment but shall retain all other rights and benefits for which he/she makes the payments that would be required if he/she remained in full-time employment.
- 6.6 The unit member shall receive the health and welfare benefits in the same manner as a full-time (100%) unit member as provided in Article 4, Health and Welfare Benefits.

- 7.1 The Class Size List shall reside in the Office of Instructional Operations.
- 7.2 Class size limits for new classes shall be the same as those for similar existing classes unless modified in accordance with Article 7.3.
- 7.3 Established class limits may be changed or new class limits established after consideration by a committee comprised of three (3) administrators selected by the Vice-President, Academic Affairs or Vice President of Student Services, or designee, and three (3) full-time unit members designated by a majority of the unit members in the department. 8.1. Personal Illness and Injury Leave

8.1.0 Purpose

The purpose of personal illness and injury leave utilization shall be for physical disabilities (including disabilities due to pregnancy) and mental disabilities which compel the unit member to absent himself/herself from the duties of employment.

8.1.1 Full-Time Unit Members

- 8.1.1.1 Full-time unit members employed five (5) days per week shall be entitled to eleven (11) days paid leave for each school year (10 months) for purposes of personal illness or injury. Unit members who work more or less than a full school year shall be entitled to the pro rata equivalent amount of personal illness or injury leave, e.g., a unit member who works six (6) school months is entitled to six (6) days leave and a unit member who works eleven (11) school months is entitled to eleven (11) days of leave.

- 8.1.1.2 After all accumulated and earned leave as set forth in (8.1.1.1) above and (8.1.1.4) below is exhausted, additional non-accumulated leave shall be available for a period not to exceed five (5) calendar months. The amount deducted for leave purposes from the unit member's salary shall be the amount actually paid a substitute employee to fill the position during the leave, or if no substitute is employed, the amount which would have been paid to a substitute in accordance with Column II, Step 8 of the applicable salary schedule. The District shall make every reasonable effort to secure the services of a substitute. The five (5) calendar month period shall begin after the utilization of the annual entitlement of eleven (11) days as provided in (8.1.1.1) above and shall run concurrently with any accumulated leave until such accumulated leave is exhausted; then the differential pay shall begin for the remainder, if any, of the five (5) calendar months.
- 8.1.1.3 At the beginning of each school year each unit member shall receive a personal illness and injury allotment credit equal to his/her projected entitlement for the school year. Personal illness and injury leave need not be accrued prior to taking such leave by a unit member. If a unit member resigns, retires, or is terminated and has used more personal illness and injury leave than was earned, the amount of pay for days used but not earned shall be deducted from the final warrant of the unit member.
- 8.1.1.4 If a unit member does not utilize the full amount of leave as authorized in (8.1.1.1) above in any school year, the amount not utilized shall be accumulated from year to year.
- 8.1.1.5 A unit member whose absence under this section exceeds five (5) consecutive work days shall provide a statement from a licensed physician or practitioner stating the reason for the absence. Additionally, it shall be the prerogative of the District to require verification of an absence of less than five (5) calendar days if the District has reason to believe that the absence may not have been used for proper personal illness and injury leave purposes. In the absence of the requested verification, the absence shall be deemed an unauthorized absence.
- 8.1.1.6 A unit member must contact his/her immediate supervisor as soon as the need to be absent is known to permit time to secure a substitute service. If the unit member fails to notify the District at least two (2) hours prior to assigned duties, the absence shall be deemed an unauthorized absence unless the employee's illness, as defined herein, occurred within the two (2) hour advance notice period or the nature of said illness prevents the employee from giving the prescribed amount of advance notice.
- 8.1.1.7 A unit member who is absent for one-half (1/2) day or less shall have deducted one-half (1/2) day from the accumulated leave, and if the absence exceeds more than one-half (1/2) day, a full day shall be deducted from accumulated leave.
- 8.1.1.8 A unit member shall not be allowed to return to work and shall be placed on leave without pay if the unit member fails to notify the District of his/her

intent to return to work the next work day by 3:30 p.m. of the preceding day if such failure results in a substitute being secured.

- 8.1.1.9 Upon exhaustion of his/her regular personal illness and injury leave account, the absence shall be charged against his/her other assignment leave account.

8.1.2 Part-Time and Hourly as Needed Personal Illness and Injury (including Summer School)

- 8.1.2.1 Unit members working a part-time assignment (less than 67%) or overload shall earn one (1) hour of personal illness and injury leave for each seventeen (17) hours of time worked. Effective July 1, 2014, this article shall also apply to hourly as needed unit members, Counselors, Librarians, and Coordinators. All full-time unit members shall earn sick leave up to a maximum annual accrual of 24 overload sick leave hours. Sick leave will not be earned for substituting or when another unit member is accruing leave for the same assignment.
- 8.1.2.2 Any unused personal illness and injury leave shall be accumulated from year to year.
- 8.1.2.3 A break in service will not result in a loss of accumulated personal illness and injury leave unless such leave is transferred to another District or a break in service exceeds three (3) consecutive semesters not including summer school.
- 8.1.2.4 Part-time and Hourly as needed unit members may use personal illness and injury leave as accrued.
- 8.1.2.5 The following shall be used for full-time unit members if absent from assignment effective January 1, 2015:
 - 8.1.2.5.1 The unit member's sick leave will be charged no more than a single day for a missed day, regardless of whether the day includes both a regular and an overload assignment.
 - 8.1.2.5.2 If a unit member has no sick leave remaining, the unit member's overload sick leave will be charged no more than a single day for a missed day, regardless of whether the day includes both a regular and an overload assignment. Overload sick leave hours will be converted into a sick leave day at the rate of six (6) hours.
 - 8.1.2.5.3 Unit members missing multiple days will be charged a single day for each workday missed between the first and last days of the absence. For example, a unit member who has on-campus assignments Monday through Thursday and misses Thursday and the following Monday will be charged three days (Thursday, Friday, and Monday).
 - 8.1.2.5.4 A unit member who is absent for one-half (1/2) day or less

shall be deducted one-half (1/2) day from the accumulated leave, and if the absence exceeds more than one-half (1/2) day, a full day shall be deducted from accumulated leave.

- 8.1.2.6 Upon retirement, full-time unit members shall have all unused overload sick leave added to their full-time personal illness and injury account.

8.1.3 Notification of Accumulated Personal Illness and Injury Leave

The District shall provide each unit member written notification by October 15 of each year of his/her accumulated personal illness and injury leave including the current year's projected entitlement.

8.1.4 Transfers of Accumulated Personal Illness and Injury Leave

A unit member shall be entitled to the number of days of personal illness and injury leave accumulated by such unit member in a position requiring certification qualification at his/her last previous school district of employment provided that such employment was with a school district within the State of California, was for at least one (1) full year's duration and within the three (3) school years succeeding the school year in which the employment in the first district is terminated.

8.2 Jury Duty

- 8.2.1 For up to ten (10) days per school year for full-time unit members and up to 3 days for part-time unit members, a unit member may be absent from duty without loss of pay as the result of having been called for and appearing for jury duty, excluding a grand jury. The unit member is required to request postponement to a time when the unit member does not have a synchronous teaching assignment, if possible. The unit member is required to notify the District upon receiving notice of jury duty.
- 8.2.2 The unit member serving on jury duty who receives pay from the District during such absence shall be required to collect jury duty fees and remit such fees to the District, or in the absence of such remittance, the unit member shall receive the difference between his/her regular salary and the jury duty fees.
- 8.2.3 A unit member shall be required to perform his/her assigned service to the District during any day or fraction thereof that he/she is released from jury service, provided that a reasonable period of time shall be allowed for necessary travel. An instructor serving jury duty shall be required to return to his/her teaching assignment unless, due to the assignment of a substitute or in the best interests of the instructional program, the District approves otherwise.
- 8.2.4 When the District is informed by a unit member that he/she has been selected for Jury Duty, the District shall provide him/her with a letter containing the District payment provisions for jury duty, as described herein.

8.3 Bereavement Leave

A unit member working a set schedule, shall be entitled to a maximum of three (3) days leave of absence or five (5) days leave of absence if travel of more than 400 miles one (1) way is required, without loss of salary on account of the death of any member of his/her immediate family. A set schedule is not occasional and as needed but is regular and reoccurring. For purposes of this provision an immediate family member shall be limited to mother, father, mother-in-law, father-in-law, grandmother, grandfather, or a grandchild of the unit member or of the spouse of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother or sister, brother-in-law, sister-in-law of the unit member, life partner or any relative living in the immediate household of the unit member.

8.4 Leave for Industrial Accident or Illness

Industrial accident and illness leaves of absence shall be granted in accordance with the following:

- 8.4.1 The accident or illness must have arisen out of and in the course of the employment of the unit member and must be accepted as bonafide injury or illness arising out of and in the course of employment by the Carrier or administering agent for workers' compensation coverage. Such acceptance shall be based upon the laws and rules and regulations of the State governing workers' compensation.
- 8.4.2 Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability which shall not exceed sixty (60) working days in any one (1) fiscal year for the same accident.
- 8.4.3 Leave under these rules and regulations shall commence on the first day of absence.
- 8.4.4 The benefits provided by these rules and regulations shall be applicable to all unit members immediately upon becoming an employee of the given District.
- 8.4.5 Allowable leave shall not be accumulated from year to year.
- 8.4.6 Payment for wages lost on any day shall not, when added to an award granted the unit member under the workers' compensation laws of the State, exceed the normal wage for the day.
- 8.4.7 Industrial accident or illness leave shall be reduced by one (1) day for each authorized absence regardless of the compensation award made under workers' compensation.
- 8.4.8 When an industrial accident or illness occurs at the time when the full sixty (60) days will overlap into the next fiscal year, the unit member shall be entitled to only that amount remaining at the end of the fiscal year in which the illness or injury occurred for the same illness or injury.
- 8.4.9 Industrial accident or illness leave of absence is to be used in lieu of entitlement to other leaves. When entitlement to an industrial accident or illness leave has been exhausted, entitlement to other personal illness and injury leave will then be used; but if the unit member is receiving workers' compensation, he/she shall be entitled to only that portion of his/her accumulated available personal illness and injury leave, accumulated compensatory time off, vacation or other available leave which, when

added to the workers' compensation award, provide for a full day's wage or salary. When applicable, the following formula shall be used: Divide the disability check, endorsed to the District, by the unit member's daily salary rate to determine the equivalent number of days.

- 8.4.10 Periods of leaves of absence, paid or unpaid, shall not be considered to be a break in service of the unit member.
- 8.4.11 During all paid leaves of absence, whether industrial accident leave as provided in this section, personal illness and injury leave, vacation, compensatory time off or other available leave provided by law or the action of the Board of Trustees, the unit member may endorse to the District wage loss benefit checks received under the workers' compensation laws of this state. The District, in turn, shall issue the unit member appropriate warrants for payment of salary and shall deduct normal retirement and other authorized contributions. In the absence of such endorsement, the District shall issue the unit member appropriate warrants for the difference between his/her regular salary and the amount of the wage loss benefit checks. Reduction of entitlement to leave shall be made only in accordance with this section.
- 8.4.12 Any unit member receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the district authorizes travel outside the state.

8.5 Personal Necessity Leave

- 8.5.1 Each unit member shall be entitled to use seven (7) days of his/her personal illness and injury leave allotment during each school year for personal necessity; the procedure for approving personal necessity absences shall be centralized in the Department of Human Resources. Under no circumstances shall personal necessity leave be available to seek other employment or for concerted activities. A unit member must contact his/her immediate supervisor as soon as the need to be absent is known in order to permit time to secure a substitute service; the parties recognize that some instances of the need for personal necessity absence (such as an automobile accident in route to the College, or the sudden serious illness of a member of the immediate family) do not lend themselves to a normally prescribed amount of prior notice, and in such instances the standard prior notice requirement shall be waived in favor of as much advance notice as humanly possible.
- 8.5.2 The unit member shall certify on a form provided by the District that such absence was in conformance with the above. If the unit member fails to comply with the above, the absence shall be deemed an unauthorized absence.
- 8.5.3 Part-time unit members are entitled to a pro rata amount.

8.6 Quarantine

A unit member shall receive full salary during the period of his/her quarantine by duly constituted governmental authority.

8.7 Judicial and Official Appearance Leaves

- 8.7.1 A unit member shall receive his/her regular pay for a judicial or official appearance in a proceeding in which the District is a party provided the unit member is not the litigant or in support of the litigant in a case against the District. The unit member shall contact his/her immediate supervisor as soon as the need to be absent is known to permit time to secure a substitute service.
- 8.7.2 The District may grant a paid leave of absence to a unit member for a judicial or official appearance as witness when subpoenaed other than as a litigant or in support of a litigant. The unit member shall request such a leave through his/her immediate supervisor as soon as the need to be absent is known to permit time to secure a substitute. Notwithstanding the foregoing, a unit member shall receive release time to appear as a witness when subpoenaed. This witness release time provisions shall be terminated on the last day of this Agreement unless the parties agree otherwise in writing.

8.8 Family Care and Medical Leave Act

It is the intent of this provision to be consistent with Government Code section 12945.2 and the Family and Medical Leave Act of 1993, and it shall be interpreted so that there will be no violation of those statutes.

- 8.8.1 An employee with more than one (1) academic year of continuous service equal to more than 67% with the District, who has worked at least 1,250 hours during said year and who is eligible for other leave benefits of this Agreement shall be granted, upon written request, an unpaid family care leave up to a total of twelve (12) weeks or 480 hours in any twelve (12) month period, pursuant to the provisions contained herein.

For purpose of this section the term, "family care and medical leave" means either: (a) leave for reason of the birth of a child or to care for a newborn of the employee, (b) the placement of a child with an employee for adoption or foster care (c) to care for the employee's spouse, child, or parent with a serious health condition of the employee; (d) because of a serious health condition that makes the employee unable to perform the functions of the employee's job; (e) because of any qualifying exigency arising out of the fact that the employee's spouse, child or parent is a covered military member on active duty (or has been notified of an impending call or order to active duty) in support of a contingency operation (f) to care for a covered servicemember with a serious injury or illness if the employee is the spouse, child, parent, or next of kin of the servicemember).

- 8.8.2 An unpaid family care and medical leave shall be treated as any other unpaid leave. During an unpaid family care and medical leave an employee shall retain employee status with the District, and such leave shall not constitute a break in service. An employee returning from an unpaid family care and medical leave shall have no less seniority than when the leave commenced.
- 8.8.3 If an employee's need for an unpaid family care and medical leave is foreseeable, the employee shall provide the District with reasonable advance notice. For unplanned absences, the employee shall provide the District with reasonable advance notice of the need for such leave. If the employee's need for such leave is foreseeable due to a planned medical treatment or supervision, the employee shall

make a reasonable effort to schedule the treatment or supervision to avoid disruption to the operations of the District.

8.8.4 An employee's request for an unpaid family care and medical leave for the purpose of caring for a child, spouse or parent who has a serious health condition shall be supported by a written certification issued by the attending physician of the individual family member requiring care. This written certification must include the date on which the serious health condition commenced, the probable duration of the condition, an estimate of the amount of time the said physician believes the employee needs to care for the individual requiring care (self-care), and a statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care. If additional leave is requested by the employee upon the expiration of the time estimated by said physician, the employee must request such additional leave again supported by a written recertification consistent with the requirements for an initial certification (if applicable).

8.8.4.1 For a leave based upon caring for a child, spouse or parent who has a serious health condition, the written certificate must have an estimate of the amount of time the health care provider believes the employee needs to care for the individual requiring care, and a statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care.

8.8.4.2 For a leave based on the employee's own serious health condition, the written certification must include a statement that the employee is unable to perform one or more essential functions of his/her position.

8.8.4.3 If additional leave is required upon the expiration of the time estimated by the health care provider, the employee must request such additional leave again supported by a written certification consistent with the requirements for an initial certification.

8.8.8 An employee taking unpaid family care and medical leave pursuant to this section shall continue to be entitled to participate at District cost in District health insurance benefits to the same extent and under the same conditions as apply to other active employees receiving said benefits. Said employee shall pay the cost of all health and welfare benefits during any unpaid family care leave, pursuant to the procedures established by the District. The District may recover the premium that it paid as required by this subdivision for maintaining coverage for the employee under the group health plan if both of the following conditions occur.

8.8.8.1 The employee does not return to District service for at least 30 calendar days.

8.8.8.2 The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to family care and medical leave or other circumstances beyond the control of the employee.

8.8.9 Family care and medical leave may be taken "intermittently or on a reduced leave schedule" under certain circumstances. Intermittent leave is leave taken in separate blocks of time due to a single qualifying reason. A reduced leave schedule is a leave schedule that reduces an employee's usual number of working hours per workweek, or hours per workday. A reduced leave schedule is a change in the employee's schedule for a period of time, normally from full time to part time.

8.10.2.3 Leaves shall not be granted for more than two (2) full consecutive semesters or less than one (1) full semester unless otherwise approved by the District. 8.10.2.4 Military leave and paid leaves shall not be deemed a break in continuity of service for the purposes of this article.

8.10.2.5 If a sabbatical leave request is approved for a full-time unit member, and he/she then withdraws the application after approval, such full-time unit member shall be precluded for a period of two (2) years from filing a new application for sabbatical leave unless extenuating circumstances existed compelling his/her withdrawal of the application for leave.

8.10.5.1 Granting of a sabbatical leave is conditioned upon the applicant agreeing to the terms of the sabbatical leave and further agreeing to render services to the District for at least twice the length of the sabbatical leave granted.

8.10.5.2 If a full-time unit member on leave fails to return and complete required services as an employee of the District, an amount calculated as follows shall be returned to the District:

$$\begin{array}{rcccl} \text{Compensation} & & \text{Length of Actual} & & \text{Compensation} \\ \text{Received from} & - & \text{Service Following} & + & \text{Received from} \\ \text{District While on} & & \text{Sabbatical Leave} & & \text{District While on} \\ \text{Leave} & & \text{Length of Required} & & \text{Leave} \\ & & \text{Service} & & \end{array}$$

8.10.5.3 In case of death, the full-time unit member or his/her estate shall not be required to return compensation received from the District during the leave period. The payment shall cease upon the death of the unit member on leave.

8.10.5.4 Disability while on sabbatical leave to such an extent as to render full-time unit member unable to return to the District at the termination of the

sabbatical leave or death while on sabbatical leave shall serve to exonerate full-time unit member's agreement and bond.

8.10.5.5 The District and the unit member shall execute a legally binding contract containing the conditions of the sabbatical leave. Five (5) working days prior to signing the proposed contract, a copy shall be forwarded to the President of the Association. Following the signing, a copy of the signed contract shall be forwarded to the President of the Association.

8.10.6 Compliance with Leave Conditions

Upon the completion of the sabbatical leave, the unit member shall submit to the District appropriate documentation showing completion of the purposes and activities for which said leave was granted.

8.10.7 Salary While on Leave

While on leave full-time unit members shall receive as compensation 85% of their base salary for one (1) full contract year or 85% of their base salary for one-half (1/2) contract year. During the sabbatical period the employee will be credited with only 85% service time for retirement purposes. The employee and the District shall contribute their respective shares for the employee to receive 100% STRS service credit.

The duration of such leave shall not exceed one (1) calendar year. A unit member shall submit such request to the District at least four (4) weeks prior to the anticipated date on which the leave is to commence.

8.11.2 Unit members may be granted unpaid leave upon request by the Board of Trustees.

- 8.11.3 Unpaid leave may be granted a unit member for a period of up to one (1) school year. The leave shall normally commence at the start of a semester or a school year. - 8.11.4 The President of the College may grant, upon request, an unpaid leave of up to five (5) work days.
- 8.11.5 Such leaves are without compensation or credit toward service.
- 8.11.6 Unit members who go on an unpaid leave during any pay period shall receive their health and welfare coverage for the balance of that pay period. Thereafter, they shall be allowed to continue coverage provided they make advance payments of the premiums in a manner reasonably required by the District.
- 8.11.7 Should the District deny a unit member an unpaid leave, the unit member may request, in writing, within ten (10) days of said denial, the reasons for the denial. The District shall respond, in writing, within ten (10) days of the unit member's request, stating the reasons for denial of the requested leave and such reasons shall not be subject to the Grievance Procedure, except as such reasons violate other sections of this Agreement.

8.12 Catastrophic Leave

- 8.12.1 The parties agree to establish a catastrophic leave program to permit employees to donate eligible leave credits to an employee when that employee or a member of his or her family suffers from a catastrophic illness or injury. A catastrophic illness or injury means an illness or injury that is expected to incapacitate the employee over an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off. Eligible leave credits means sick leave accrued to the donating employee.
- 8.12.2 Eligible leave credits may be donated to an employee for catastrophic illness or injury if all of the following requirements are met:
 - 1. The employee who is, or whose family member is, suffering from a catastrophic illness or injury requests that eligible leave credits be donated and provides verification of catastrophic injury or illness satisfactory to the Catastrophic Leave Committee. The Committee shall consist of one (1) representative from the District, specifically the Director of Human Resources, and one (1) representative from RHCFA.
 - 2. The Catastrophic Leave Committee determines that the employee is unable to work due to the employee's or his or her family member's catastrophic illness or injury.
 - 3. The employee has exhausted all accrued paid leave credits.

- 8.12.3 If the transfer of eligible leave credits is approved by the Catastrophic Leave Committee, any employee may, upon written notice to the Committee, donate eligible leave credits.
- 8.12.4 The maximum amount of time for which donated leave credits may be used, is twelve (12) consecutive months.
- 8.12.5 Transfer of eligible leave credits shall be irrevocable. Unused donated leave credits shall be banked and used for the purposes set forth in this Section.
- 8.12.6 An employee who receives paid leave pursuant to this Section shall use any leave credits that he or she continues to accrue on a monthly basis prior to using donated paid leave.

8.13 Parental Leave

Unit members who have exhausted all available sick leave, shall receive no less than fifty percent (50%) of their regular salary for the remaining portion of a twelve-workweek period of parental leave. Unit members shall not be provided more than one twelve-workweek period leave during any twelve-month period. Parental leave taken pursuant to this section shall run concurrently with any leave taken pursuant to Government Code Section 12945.2.

A unit member shall not be a facilitator while on sabbatical leave.

9.2 General Evaluation Principles

- 9.2.1 The primary aim of evaluation is to improve professional effectiveness. To promote this respect and confidence, the District will provide training for authorized administrators on the process of evaluation. The Faculty Association will provide training for peer review evaluators.
- 9.2.2 All data used in the evaluation material shall be accurate and verified by the evaluator. Hearsay shall not be included in the authorized evaluation material.

- 9.2.5 Constructive criticism and suggestions for improvement, if any, shall be specific and in writing. If major inadequacies are found to exist, they shall be included in a Professional Development Plan. Information relating to a unit member's strengths and weaknesses will be discussed openly and frankly with the unit member being evaluated.
- 9.2.6 In assessing a unit member's performance, the authorized administrative evaluator shall consider only the unit member's roles and responsibilities as identified in the Unit Member Evaluation Report and other mutually determined criteria. The observation shall be of sufficient duration to provide the evaluator with adequate data with which to make an accurate and meaningful evaluation.
- 9.2.8 By mutual agreement, the unit member and authorized evaluator(s) may each select another person to make additional evaluation visitations and share the observations with both the unit member and the authorized evaluator(s).
- 9.2.9 Authorized evaluators and unit members should practice good faith in the peer review process and administrative evaluation.

A unit member appointed by the RHCFA shall serve as a member of the Board of Authority of the Futuris Public Entity Trust established by the District on May 16th, 2007 for post-employment benefits.

15.7 Other Rights

- 15.7.1 Administrators shall not be assigned unit responsibilities (e.g., classes or counseling) except under the following conditions: (1) The District has made a good-faith effort to keep a pool of qualified part-time faculty in the area; (2) The District has offered the position to all qualified full-time and part-time unit members; and (3) The District has consulted with the Association. Any administrative assignment shall be limited to one term, unless the above conditions are again met.
- 15.7.2 The District shall give contact information for the Association to newly-hired unit members at the time of hiring. The District shall provide the Association with non-confidential contact information within ten (10) days of hiring. The District shall notify the Association of scheduled orientation sessions and allow the Association access to address newly-hired unit members.

ARTICLE 16: GRIEVANCE PROCEDURES

The purpose of this procedure is to provide a constructive process by which grievances may be resolved.

16.1 Definitions

- 16.1.1 A "grievance" is a formal, written allegation by a unit member, or by the Association on behalf of a unit member, that he/she has been adversely affected by a violation of a specific provision of this Agreement.
- 16.1.2 A "work day" is a day of the unit member's contractual service to the District.
- 16.1.3 The "immediate supervisor" is the first-level manager having line authority over the grievant and who has the authority to adjust the grievance.
- 16.1.4 A "grievant" is a unit member or the Association filing a grievance.
- 16.1.5 A "representative" shall mean a representative of the Association selected by the grievant, except such representative shall not be from another employee organization. The District may have a representative to assist in processing the grievance.
- 16.1.6 A "party in interest" is the grievant, immediate supervisor, a representative, or other unit member or manager whose action may be required in order to resolve the grievance.

16.2 General Provisions

- 16.2.1 The grievance procedure shall not be used to challenge or change policies, regulations, or procedures of the District or the District application and/or interpretation of laws which are not included in this Agreement.
- 16.2.2 This grievance procedure shall not be construed by either party to require the processing of class action grievances. With mutual agreement of the District and Association, grievances filed by more than one (1) unit member alleging violation of the same specific provision of this Agreement shall be processed concurrently as a single grievance. In such cases, participation by the grievants may be limited to one (1) or more unit members.
- 16.2.3 The District and the Association agree that every effort shall be made by the District and the unit member to settle the grievance informally with the immediate supervisor.
- 16.2.4 Until final disposition of the grievance, the grievant is required to conform to the direction of his/her immediate supervisor. If the unit member fails to conform to the direction of his/her immediate supervisor, the unit member may be subject to appropriate disciplinary action.

- 16.2.5 Each party involved in a grievance shall act so that the grievance can be resolved promptly. Each party agrees to conform with the time limits contained in this Article; however, with the written consent of the parties in interest, the time limitations at any step may be extended.
- 16.2.6 Time limits provided in each step shall begin the day following the expiration of the previous time limit or the day following receipt of the written decision by the party in interest.
- 16.2.7 Grievance meetings shall be scheduled at times mutually acceptable to parties in interest during normal working hours. Parties in interest shall endeavor to schedule such meetings at times that do not interfere with classroom instruction.
- 16.2.8 All procedural documents dealing with the processing of the grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of the grievant.
- 16.2.9 Forms necessary for the grievance procedure shall be prepared by the District and shall be given appropriate distribution to facilitate the grievance procedure.
- 16.2.10 A unit member may present a grievance relating to an alleged violation of this Agreement and have such grievance adjusted/resolved without the intervention of the Association as long as the adjustment/resolution is not inconsistent with the terms of this Agreement. The District shall not implement an adjustment/resolution of a grievance until the Association has received a copy of the grievance and the proposed adjustment/ resolution and has been given an opportunity to file a written response within three (3) work days of receipt of the grievance and the proposed adjustment/resolution.
- 16.2.11 The grievant shall be present at each step of the grievance procedure except as may be limited elsewhere in this article.
- 16.2.12 Representation on behalf of either party may begin at Step I of the grievance procedure at the option of either party.
- 16.2.13 All records and documents presented at each step of the grievance procedure shall be transmitted to the next higher step if the matter is appealed.
- 16.2.14 When a grievance has been filed by a unit member, the grievant may terminate the grievance procedure at any time by giving written notice to the District.
- 16.2.15 The grievance shall be terminated if the grievant fails to comply with the time limits.
- 16.2.16 The grievant may appeal the grievance to the next step in the grievance procedure if the District fails to comply with the time limits.
- 16.2.17 A decision rendered at any step shall be considered final unless an appeal is registered within the specified time limit. If a decision is not given to the grievant within the specified time limit, the grievant may appeal to the next available step.
- 16.2.18 No party in interest shall take reprisals against any other party in interest by reason of

such participation.

16.3 Procedures

16.3.1 Step I

Within twenty (20) work days of the event or within twenty (20) work days of when the aggrieved could reasonably be expected to have known of the event which gave rise to the grievance and before filing a formal, written grievance, the grievant shall attempt to resolve the matter through an informal conference with the grievant's immediate supervisor. The immediate supervisor shall communicate a decision to the unit member within five (5) work days after the informal conference. If the immediate supervisor fails to respond within the time limits, the grievance is deemed denied and the grievant may file a formal written grievance in conformance with Step II. Only the grievant and the supervisor may be present at Step I, except that, by mutual agreement, the parties may each have a representative.

16.3.2 Step II

Within thirty (30) work days of the event or within thirty (30) work days of when the grievant could reasonably be expected to have known of the event which gave rise to the grievance, the grievant may file a formal, written grievance on the appropriate District form to the immediate supervisor. Failure to present such grievance within the time limit shall render the grievance null and void. The formal written grievance shall include a clear, concise statement of the grievance, the circumstances involved, specific provisions of this Agreement allegedly violated, the decision rendered at the informal conference, if any, and the specific remedy sought. The immediate supervisor shall communicate a decision to the grievant in writing within five (5) work days after receiving the grievance. If the immediate supervisor fails to respond within the time limits, the grievance is deemed denied and the grievant may appeal to the next step.

16.3.3 Step III

In the event the grievant is not satisfied with the decision at Step II, the grievant may appeal the decision on the appropriate District form to the appropriate Vice President or designee within five (5) work days after the decision of the immediate supervisor. The appeal shall include a copy of the original grievance; the decision rendered, if any, and a clear, concise statement of the reasons for the appeal. At the request of the grievant, a meeting shall be held between the grievant and the appropriate Vice President or designee to discuss the grievance. The appropriate Vice President or designee shall communicate a decision to the grievant in writing within five (5) work days after receiving the appeal.

16.3.4 Step IV

Once the grievance moves beyond Step III, it belongs to the Association not the grievant. If the grievance is not settled at Step III, either the Association or the District may request mediation within ten (10) days by notifying the other and contacting the Public Employment Relations Board (PERB). Should the District and the Association jointly agree to choose a mediator other than the one supplied by PERB, the costs of

mediation will be shared equally. The mediator will have no authority to impose a settlement on the parties but may advise the parties in confidence of his or her recommendations to resolve the dispute.

16.3.5 Step V

16.3.5.1 Arbitration

A grievance which is not settled at Step IV, which the Association desires to contest further, will be submitted to advisory arbitration as provided herein, but only if the Association gives written notice to the District of its desire to arbitrate the grievance within ten (10) work days after the termination of Step III. It is expressly understood that the only matters which are subject to advisory arbitration are grievances as defined above which were processed and handled within the limitations and procedures of this article. Processing and discussing the merits of an alleged grievance by the District prior to Step III will not constitute a waiver by the District of a defense that the dispute is not grievable. However, District failure to raise the issue of whether a dispute is grievable at Step I will constitute a waiver of that issue at subsequent levels of this procedure.

16.3.5.2 Selection of Arbitrator

16.3.5.2.1 As soon as possible, in any event not later than five (5) work days after the District receives the written notice of the Association's desire to arbitrate, the parties will agree upon an arbitrator. If no agreement is reached within five (5) days, an arbitrator will be selected from a list of arbitrators provided by the California State Conciliation and Mediation Services, by alternately striking names until one (1) remains.

16.3.5.2.2 The party which strikes the first name will be determined by lot. If the arbitrator selected indicates that he will not be available for a hearing within a reasonable time not exceeding forty-five (45) calendar days, the parties will proceed to select another arbitrator from the list.

16.3.5.3 Motions to Dismiss

If the District claims that a grievance should be dismissed because, for example, it falls outside the scope of the procedure, or was filed in violation of the time limits provided for herein, or that the dispute has become moot, or that a party has breached the confidentiality provisions, such a claim will, at the option of the District, be heard in a one (1) day session and promptly ruled upon by the arbitrator prior to any formal proceedings and a hearing on the merits of the grievance by a separate arbitrator. A suitable stay/continuance between such an arbitrability ruling and any further proceedings which may be necessary will be granted to the parties. The District may also, at its option, and without prejudice, have such a claim heard along with the merits of the case by the same arbitrator.

16.3.5.4 Limitations Upon Arbitrator

The arbitrator will have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement but will determine only whether or not there has been a violation, misapplication, or misinterpretation of this Agreement in the respect alleged in the grievance. In determining whether the District has violated an express term of this Agreement, the standard of review for the arbitrator is to be whether the District acted in an arbitrary, capricious, or discriminatory manner. The decision of the arbitrator will be based solely upon the evidence and arguments presented by the respective parties in the presence of each other, and upon arguments presented in briefs.

16.3.5.4.1 This Agreement constitutes a contract between the parties which will be interpreted and applied by the parties and by the arbitrator in the same manner as any other contract under the laws of the State of California. The function and purpose of the arbitrator is to determine disputed interpretation of terms actually found in the Agreement or to determine disputed facts upon which the application of the Agreement depends. The arbitrator will, therefore, not have authority, nor will it be within the arbitrator's function, to decide any issue not submitted or to so interpret or apply the Agreement as to change that which can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. Past practice of the parties in interpreting or applying terms of this Agreement may be considered relevant evidence. The arbitrator will not render any decision or award, or fail to render any decision or award, merely because it is the arbitrator's opinion that such decision or award is fair or equitable.

16.3.5.4.2 No decision rendered by the arbitrator will be retroactive beyond the beginning of the fiscal year prior to the ten-day period specified in Step I of the grievance procedure. The arbitrator will have no power to render an award on any grievance occurring before or after the term of this Agreement.

16.3.5.4.3 The arbitrator may hear and determine only one (1) grievance at a time unless the District expressly agrees otherwise. However, both parties will in good faith endeavor to handle in an expeditious and convenient manner cases which involve the same or similar facts and issues.

16.3.6 Step VI

16.3.6.1 Arbitrator's Decision and Board Review

The decision of the arbitrator within the limits herein prescribed will be in the form of a recommendation to the Board of Trustees. If neither party files a request to the Board to undertake review of the advisory decision within ten (10) work days of its issuance, or if the Board declines such a request, then the decision will be deemed adopted by the Board and becomes final and binding on all parties. If a timely request for review is filed with the Board and accepted, the Board will then undertake review of the entire hearing record and briefs. The Board may also, if it deems it appropriate, permit oral arguments by representatives of the parties, but only in the presence of one another. Within thirty (30) work days after receiving the record, the Board will render a decision on the matter, which decision will be final and binding on all parties. If the Board does not render such a decision within the time specified, then it will be deemed to have adopted the decision recommended by the arbitrator.

In a case where the arbitrator's award sustains the grievant, but the Board subsequently fails to accept such recommendation and instead modifies or reverses the arbitrator's decision, and the grievant later files a judicial action against the District for breach of the Agreement, the District will not assert as a defense that the grievant's utilization of the grievance and arbitration procedure was the only proper remedy for resolution of the grievance. In all other cases, the grievance and arbitration procedure is to be the Association's and an employee's sole and final remedy for any claimed breach of this Agreement.

16.3.6.2 Expenses

All fees and expenses of the arbitrator will be shared equally by the parties and each party will bear the expenses of the presentation of its own case.

16.3.6.3 Time Limits

Time limits hereunder may be lengthened or shortened in any particular case only by mutual written agreement. The parties will attempt in good faith to adjust time limit problems which occur beyond Step I as a result of the summer recess.

16.3.6.4 Association Representation

The grievant will be entitled upon written notice to the Association and a copy to the District to waive representation by the Association at all grievance meetings. In said situations the District will not agree to a final resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to state its view on the matter.

16.3.6.5 Reasonable Released Time

Grievance meetings normally will be scheduled by the District in order not to conflict with instructional duties. However, if a meeting is expected to be

of such duration that it would extend beyond the District's normal business hours, the District will provide released time with no loss of pay as provided in Section 16.2.19 to one (1) authorized representative of the Association so that the session can be accommodated within regular business hours.

16.3.6.6 Confidentiality

In order to encourage a professional and harmonious disposition of employees' complaints, it is agreed that from the time a grievance is filed until it is processed through advisory arbitration, neither the grievant nor the Association nor the District will make public either the grievance or evidence regarding the grievance.

16.3.6.7 No Reprisal

There will be no reprisal against an employee for filing a grievance or assisting a grievant in the grievance procedure.

ARTICLE 17: NEGOTIATION PROCEDURES

- 17.1 The Association agrees to submit its initial proposal for a successor agreement to the District no sooner than eight (8) months before this Agreement expires.
- 17.2 Within two (2) calendar months after the Association submits its initial proposal to the District, the District shall adopt its initial proposal pursuant to Government Code Section 3547.
- 17.3 Within ten (10) working days of compliance with Government Code Section 3547 the District and the Association shall initiate negotiations sessions on the successor agreement.

ARTICLE 18: SAVINGS PROVISION

- 18.1 The provisions of this Agreement are declared to be severable if any section, subsection, sentence, clause, or phrase of this Agreement shall for any reason be held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this Agreement, but they shall remain in effect, it being the intent of the parties that this Agreement shall stand notwithstanding the invalidity or unconstitutionality of any part. In the event of such severable action, the parties shall meet upon the request of either party to negotiate the replacement of such section, subsection, sentence, clause, or phrase in accordance with law.
- 18.2 If any provision of this Agreement is in conflict with Federal Executive Orders 11246 and 11375, as amended, Title VII of the Civil Rights Act of 1964, Title IX of the 1972 Higher Education Amendments, any federal regulations pertaining thereto, or any state programs, the provisions of such orders, laws, federal regulations and rules shall prevail. In the event of such conflict, the parties shall meet upon request of either party to negotiate the resolution of the conflict. All other provisions or applications of this Agreement shall remain in full force and effect.
- 18.3 If any provision of this Agreement is in conflict with a newly enacted state or federal statute, the parties shall meet within thirty (30) days of a written request of either party to the other.

ARTICLE 19: EFFECT OF AGREEMENT

- 19.1 This Agreement shall constitute the full and complete commitment between both parties. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties and a written and signed amendment to this Agreement.
- 19.2 During the term of this Agreement, the parties expressly waive and relinquish the right to bargain collectively on any matter, whether or not specifically referred to or covered in this Agreement even though not within the knowledge or contemplation of either party at the time of negotiation and even though during negotiations the matters were proposed and later withdrawn.
- 19.3 It is understood and agreed that the specific provisions contained in this Agreement shall prevail over Board Policy, College Procedures, and State laws to the extent permitted by State law, and that in the absence of specific provisions of this Agreement, Board Policy and College Procedures shall prevail.

ARTICLE 20: REDUCTION-IN-FORCE ACTIONS AND EFFECTS RELATED THERETO

The provisions of this article shall deal with potential reduction-in-force actions that the District may initiate.

- 20.1 The Association and District understand the legal provisions of the Education Code regarding reduction-in-force actions by the District, and nothing contained herein shall be construed to impede any possible District implementation of said legal provisions, or the assignment of professional bargaining unit services related thereto; nor shall it be construed to remove the reduction-in-force protections of the Education Code for unit members.
- 20.2 The District and the Association agree that all Education Code procedural requirements and provisions for layoff of unit members shall be observed if the District determines that reductions in force are necessary.
- 20.3 The District and Association agree that alleged violations of the procedure and requirements described above, shall be reviewable only under existing administrative hearing or legal procedures in lieu of the provisions of Article 16.
- 20.4 Article 4 (Health and Welfare Benefits) shall provide coverage through September 30 for those unit members who have worked the full preceding school year and who are given a layoff notice as a result of a reduction-in-force action by the Board on or before May 15 of any school year.
- 20.5 The District shall compensate a unit member laid off in accordance with a reduction-in-force action at his/her daily or hourly rate of pay for said year should they be utilized in a substitute capacity for an hourly, part-time, or full-time absent employee; if utilized as a substitute for a full-time employee, a laid-off employee shall receive District fringe benefit coverage pursuant to the provisions of Article 4 for each full month of said substitute service rendered during a full semester or school year replacement assignment.
- 20.6 Employees given a March 15 notice of intended non-reemployment for the following school year shall be entitled to utilize three (3) days of available personal necessity leave for purposes of bonafide job interviews with other prospective employers.
- 20.7 The retraining program described in Article 11 shall be applicable to laid-off unit members.
- 20.8 Except as provided for in 20.5 above dealing with substitution for full-time employees, laid-off unit members may, at their own expense, continue to purchase medical and dental coverage effective October 1 following layoff subject to insurance carrier approval and provisions.
- 20.9 The District and the Association each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargaining collectively with respect to any subject or matter related to reduction-in-force actions, and effects related thereto, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 21: FACULTY SERVICE AREAS

- 21.1 In order to implement Section 87743 of the California Education Code, it is the intent of the Association and the District to preserve past practice as if credentials were in full effect with respect to "bumping" rights when a reduction-in-force or layoff is being effected. This is to be accomplished by broadly defining faculty service areas and not establishing restrictive competency criteria.
- 21.2 In accordance with Section 87743.2 of the Education Code, the faculty service areas are attached as Appendix H.
- 21.3 A faculty member shall be competent to serve in a faculty service area if:
 - 21.3.1 He or she meets the minimum qualifications pursuant to Section 87356 of the Education Code to teach the subject and/or a discipline within a service area; or
 - 21.3.2 He or she holds a valid California teaching credential authorizing service in a subject and/or a discipline within the service area and employed by the District in an academic capacity prior to July 1, 1990.
- 21.4 A unit member shall be given written notice of any change in the District records regarding his/her authorized faculty service areas.

ARTICLE 22: RETIREMENT ISSUES

22.1 Retiree Health Benefits

All those who retire from Rio Hondo pursuant to the vesting requirements of the California Public Employee Retirement System [as long as Rio Hondo is a participant in the California Public Employee Retirement System (CalPERS) Health Benefit Program] will be entitled to the minimum contribution pursuant to Government Code section 22892 (b) (1) will be the equivalent of the supplemental health benefit program as it is a precondition of participation in the PERS Health Benefit Program acknowledged by the District and the Rio Hondo College Faculty Association.

- 22.1.1 The employee and dependent are enrolled in a plan at the time the unit member terminated employment with the District.
- 22.1.2 The employee retired from the District employment in accordance with the rules and regulations then in effect with the retirement system of which he/she is a member.
- 22.1.3 The employee is 55 years of age and older and has rendered a minimum of fifteen (15) years of service to the District.
- 22.1.4 Supplemental benefits from the District are available only in the event that a retiree is not eligible for comparable coverage with a subsequent employer.

22.2 Supplemental Retiree Health Program

- 22.2.1 Over and above the minimum required contribution for retirees, the District and RHCFA have established a supplemental retiree health program. This program would not be subject to the regulation of PEMHCA. The vesting requirement for these supplemental health benefits will be fifteen (15) full time years. In other words, an employee who has at least fifteen (15) years of full time service to the District and who has reached fifty-five (55) years of age will receive these post retirement benefits. For those current employees who were vested or partially vested in 2005 under the prior number of required years (five) but who cannot complete the fifteen (15) years prior to reaching the age of 62, the District will make a transition exception for those who meet the minimum requirements for STRS retirement, and are no less than 62 upon retirement from the District. In other words, if a unit member were already vested with five (5) years of credit, age 57, and elected to retire at age 62, even though he/she had only a total of ten (10) years service credit, that unit member would be provided the supplemental benefits.
- 22.2.2 The fifteen (15) year vesting requirement must be STRS credited years of service that the regular employee worked with Rio Hondo as set out in 22.2.1. Purchased additional retirement service credit from STRS or PERS shall not be eligible as earned service. No partial credit will be available. The full fifteen (15) years are required for the dollar amounts for coverage set out at the time of retirement. These requirements shall be the same for all regular employees in the RHCFA bargaining unit.

- 22.2.3 The supplemental coverage will be limited to the qualifying employee and one (1) dependent that must be in dependent status at the time of the retirement (spouse or domestic partner). Dependents may not be changed after the date of retirement. It is recognized that CalPERS regulations allow dependent change after retirement and this agreement is not intended to impact the minimum contribution requirements of Government Code section 22892 (b) (1). If the retiree elects to change dependents as set out above, the retiree will be limited only to single-party coverage.
- 22.2.4 The supplemental coverage for employees retiring prior to Medicare eligibility will be limited to the dollar amount then current to be applied toward CalPERS Platinum (or the equivalent coverage outside of PERS) if the employee elects to insure a dependent; or CalPERS Platinum (or the equivalent coverage) if the employee alone is insured.
- 22.2.5 The supplemental coverage for employees retiring on or after the age of Medicare eligibility will be limited to the dollar amount then current to be applied toward a Medicare supplement that brings overall coverage to the CalPERS Platinum Benefit levels.
- 22.2.6 To be eligible for the supplemental retiree health benefits plan, an employee must apply to Medicare at retirement when eligible and be in compliance with CalPERS regulations.
- 22.2.7 Employees who are eligible for supplemental retiree health benefits at the time of retirement will be provided the option of electing supplemental health benefits or a lump sum buyout at \$20,000 at time of retirement.
- 22.2.7.1 Those who qualify for the supplemental benefit plan may insure one (1) dependent that must be in dependent status at the time of the retirement (spouse or domestic partner). Dependents may not be changed after the date of retirement. It is recognized that CalPERS regulations allow dependent change after retirement and this agreement is not intended to impact the minimum contribution requirements of Government Code section 22892 (b) (1). If the retiree elects to change dependents as set out above, the retiree will be limited only to single-party coverage.

Those who qualify for the supplemental benefit plan and who retire before they reach the required Medicare age will remain on the District plan at the same rate paid for active employees for that plan. Retirees, upon attaining the Medicare age, shall be enrolled in a supplementary Medicare Plan and shall submit a copy of their Notice of Medicare Entitlement letter or a photo copy of their Federal Medicare card to CalPERS.

ARTICLE 23: INTELLECTUAL PROPERTY

23.1 Purpose

The District and the RHCFA have a mutual interest in establishing an environment that encourages creativity and innovation of faculty members in developing instructional materials and excellence in their field of specialty. To pursue that goal, this Article will identify the owners of the copyrights to certain works that may be created by faculty members, and to identify the uses that may be made of those works by faculty members and the District.

23.2 Definitions

23.2.1 "Works" means any material that is eligible for copyright protection including (but not limited to) instructional materials in all media forms (e.g., syllabi, lectures, student exercises, computer software, web-based activities, textbooks, study materials, course management tools and tests) books, articles, dramatic and musical compositions, poetry, narratives, analyses (e.g., scientific, logical, opinion or criticism), works of art and design, photographs, films, video and audio recordings, computer software, architectural and engineering drawings, and choreography.

23.2.2 "License" means permission to use a work. A "non-exclusive license" is one (1) that gives permission to use a work while that same work may also be used by the party who gave the permission and by others to whom permission is also given.

23.3 Ownership of Copyrights

23.3.1 Ownership by Faculty Members

The Collective Bargaining Agreement ("The CBA") between the Faculty and the District obligates the Faculty Member to teach their assigned courses, and perform other duties, according to the terms set forth in the CBA. The District, however, acknowledges that the terms of the CBA are not intended and shall not be construed to grant any ownership rights to any materials produced by the Faculty in furtherance of these duties; and that the District does not have an interest under The CBA in any copyrights to work created by the Faculty Members in support of or related to their performance of instructional or other duties, including both classroom and distance education.

All copyrights to works created by faculty members shall be owned by the Faculty Member or Members who created the works, even if those works are created in connection with courses they teach, or other duties they perform as faculty members, while they are employed by the District and in connection with their employment, unless the work is created under the exceptional circumstances set forth in Section 23.3.2.

23.3.2 Ownership by the District

23.3.2.1 The District will own the copyright to any work or other materials that is created for the purpose of being a part of (i) the documentation of curriculum of the District, such as a course outline or description; (ii) an

information publication or promotional materials of the college, such as catalogs, class schedules, or advertisements; or (iii) an administrative policy of the District.

23.3.2.2 The Faculty and the District foresee a potential mutual interest for the District to provide additional support in the form of extraordinary financial, staff, technical or other resources, or release time, in order to sponsor work to be created by a Faculty Member in addition to his or her obligations under the CBA. In such a case, the District and the faculty member enter into an express written agreement regarding the ownership of the copyright of the work. In order that the District acquire any ownership rights to the copyright in said work, the agreement must

23.3.2.2.1 Be made prior to substantial completion of the work;

23.3.2.2.2 Set forth a description of the work to be created and a specific time period in which the work that gives rise to the copyright is to be created;

23.3.2.2.3 Set forth the proportional ownership of the copyright, the terms of use of the work;

23.3.2.2.4 Include an express waiver by the faculty member of the rights in the copyright to which the member would otherwise be entitled under this article.

This paragraph shall not be construed to grant the District any copyright in any work absent such an express written agreement. The faculty member shall own the rights to any copyright for work related to, but not included in the description in said agreement or primarily created outside the period of time set forth in the agreement.

23.4 Permitted Uses

23.4.1 Use of Work When Copyright Is Owned by Faculty Member

23.4.1.1 Uses by Faculty

The District acknowledges that faculty members may use works whose copyrights they own in any way not in violation of any currently existing District Policy, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to faculty members, without any further authorization from the District. The District may not be required to pay royalties or other fees to any faculty member for the use of works, to which the faculty member owns the copyright, in the performance of that faculty member's obligations under The CBA.

23.4.1.2 Uses by District

The District may use works whose registered copyrights are owned by a

faculty member, with the oral or written consent of that same faculty member, in the following ways: (1) to reproduce such works (for example, by photocopying them, by duplicating computer disks on which they have been saved, or by installing them on computer networks); (2) to distribute such works (to students in classes); (3) to perform or display such works (for example, in classroom teaching, by web casting, or by broadcasting). There shall be no restriction on use from unregistered copyrights.

The District may not, however authorize others to use works for which a faculty member owns the copyright, unless the District first obtains the written consent of the faculty member who owns the work's copyright.

23.4.2 Use of Work When Copyright Is Owned by District

23.4.2.1 Uses by District

Faculty members acknowledge that the District may use works whose copyrights the District owns in any and all ways it may wish, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to the District, subject only to the non-exclusive license of the faculty member who created the work to use it (in the manner set forth in 23.4.2.2) without any further authorization from the faculty members who created those works.

23.4.2.2 Uses by Faculty

ARTICLE 24: DISTANCE EDUCATION

- 24.1 The class size for online offerings will be the same as the negotiated size for the same classes offered face-to-face. The only exception to this will be that for the first semester an instructor teaches an online class, the class limit will be 25; in subsequent semesters that the class is taught, the class size will revert to the negotiated class size.
- 24.1.1 Distance education is defined as all instruction in which the instructor and students are separated by distance and interact through communication technology during any portion of the course. [Modified from Title 5 § 55200]
- 24.1.2 Synchronous distance education courses are structured similarly to face-to-face courses, however rather than being on campus, students interact with the instructor via some kind of interactive technology (such as Zoom). The instructor and students are expected to meet in real time during all scheduled class times through a remote connection (via Zoom).
- 24.1.3 Asynchronous distance education courses do not have designated scheduled meeting days and times. Students complete class activities and assignments as detailed in the course syllabus by logging into the online system, completing work and submitting electronically to the instructor. [Modified from California Community College Memorandum FS-21-09]
- 24.2 The District will first seek volunteers before making distance education assignments.
- 24.3 In order to maintain quality programs and high academic standards, faculty members may teach no more than two distance education classes during the Fall semester and two distance education classes during the Spring semester and up to two overload distance education classes during Fall semester and two overload distance education classes during Spring semester, subject to the approval of the District. A maximum of 80% of a load may be taught during the Summer term whether online or on campus except as approved by the District (and/or as stated in 24.4).
- 24.4 When the District determines it appropriate, additional distance education classes may be assigned to unit members.
- 24.5 Faculty teaching distance education classes must use the District designated course management system. In the case of a last minute change in course management software, the District will make every effort possible to provide technical assistance to faculty to make the necessary adjustments in the course offering; if there are insufficient funds and/or support available, the class will not be offered, and the faculty member shall be assigned to another class or other classes or will be able to adjust their load according to provisions 5.6.3 and 5.6.4 of the collective bargaining agreement.
- 24.6 Beginning in the Spring 2016 term, unit members must be certified to teach online. Such certification will only be required once (unless the Rio Hondo College Distance Education Committee indicates recertification is necessary based upon changes in platform and practice). The certification will be developed by the Rio Hondo College Distance Education Committee and mutually agreed to and approved by the Academic Senate and the District.
- 24.7 Regular and Effective Contact

- 24.7.1 Faculty teaching online will submit the Regular and Effective Contact Form once per year per class prior to teaching an online class.
- 24.7.2 Each division will designate faculty trained in reviewing online courses for the purpose of peer review. Such training will be done by the Online Education Committee.

Revised 5-16-14, 5-17-16

Rio Hondo College, in response to the **Guidelines for Good Practice: Effective Instructor-Student Contact in Distance Learning (1999)** as developed by the Academic Senate for California Community Colleges encourages the use of these principles to help ensure the quality, integrity, and effectiveness of distance learning.

Instructor Name:

Course Name(s):

Department:

Per Title V Guidelines, regular and substantive interaction between student and instructor is required. Syllabi must describe mandatory regular substantive interaction between students and instructors. Instructors must regularly initiate interaction with their students.

The Distance Education Committee has identified the following methods:

Regular Announcements: Faculty should make general announcements to the students in their distance education classes on a regular basis, whether by the announcement area in the Learning Management System or via e-mails to the entire class. The suggested frequency is a minimum of **one announcement** per week. Moreover, faculty should include a general announcement by the first day of class orienting students and including, at a minimum, course expectations and contact information.

Establishing Expectations: Faculty should include in their syllabus or course orientation a description of the frequency and timeliness of instructor-initiated contact and feedback, as well as expectations for student participation. This should include the timeframe for responding to e-mails and phone calls, the timeframe for receiving feedback on student work, the timeframe for submission of assignments, and the quantity of discussion board postings required by the student.

Faculty-Initiated Interaction: Faculty should regularly initiate interaction with students to determine that they have access to the course materials, that they understand the material and what is required of them, and that they are participating in the activities of the course. There are various ways of accomplishing this, including but not limited to: asynchronous discussion board forums with appropriate faculty input, synchronous chats, video conferencing, individualized contact via phone or e-mail, and, in the case of a hybrid course, regular face-to-face meetings.

Timely Feedback on Student Work: Faculty should grade and provide feedback on student work within a reasonable timeframe. If discussion boards are required, students should be given guidelines at the outset of the course and feedback on their participation throughout the semester.

Content Delivery: Faculty should provide content material either through online lectures (in written, video, and/or audio forms) and/or through instructor's enhancement of materials not created by the instructor (such as publisher-provided materials, web sites, streaming video, etc.).

Notifying Students of Faculty Unavailability/Offline Time: If the instructor must be out of contact

briefly for any reason (such as an illness or family emergency that takes the instructor offline), notification to students should be made in the announcements area of the course and/or via e-mail that includes when the students can expect regular effective contact to resume. This should occur for any offline periods lasting longer than 2 (two) days, excluding holidays and weekends.

Check which delivery method(s) you utilize and how many times per week. **Best practices would include some but not necessarily all of the following:**

Delivery Method	Never	Once per week	Two or more times per week	Other: Please specify
Announcements				
Email Correspondence				
Discussion Boards				
Timely feedback on assignments				
Telephone contact				
Other (i.e. CCC Confer, Online group meetings, Voice Thread, Synchronous office hours, etc.)				

To ensure faculty initiate regular and substantive interaction with students in Distance Education courses, the above table is to be completed by online teaching faculty (FT/PT) and submitted once each academic year to the Office of Online Education.
