RABBITRY PREFIX APPLICATION (STUD NAME)

You may hold as many stud prefixes as you desire. The cost per stud prefix is \$15.00. This fee must accompany your application.

Registered **trade names, place names** and names of offensive meaning will not be accepted. Prefixes approved and subsequently found to be in these categories will be revoked.

Prefix nominations may be rejected if they are the same or similar to an existing approved prefix. Sameness or similarity may be in either the spelling or pronunciation of the prefix.

The approved prefix will be yours for the life of your membership. If membership is allowed to lapse, other members are eligible to apply for the prefix after 5 years and at the discretion of the committee.

Your chosen prefix should not be used on any SARA Inc. entries, applications, etc. until you have received approval of the prefix by SARA Inc.
