Orthodontists

October 15th, 2020

To all my Patients and Friends,

It is with mixed emotions that I write this letter to notify you that I am retiring from my practice. After nearly 20 years, I have decided that it is time to move on to spend more time with my family and to pursue other interests, mainly teaching skiing and restoring old cars and boats after the snow melts.

One of my greatest considerations in finding my replacement was ensuring that my patients and staff would be in good hands and our philosophy of highest quality, exceptional service, and caring treatment would be continued. Dr. Joel Gardner, who has been a close friend and colleague from the first day I started my practice, will be assuming my practice and will be continuing your treatment to assure continuity of your care. During the next few months as we transition, you will come to know and appreciate what an outstanding orthodontist he is. Some of you may even have seen Dr. Gardner as he has been covering our emergencies over the years when I am out of town.

Dr. Gardner attended Gonzaga University with an academic scholarship and earned his Bachelor of Science Degree. Dr. Gardner continued his education at Oregon Health Sciences University School of Dentistry where he received his DMD degree (Doctor of Dental Medicine) and was honored for his academic excellence. Dr. Gardner's training was completed at the Oregon Health Sciences University Orthodontic Specialty Program where he earned his certification in orthodontics and dentofacial orthopedics. Dr. Gardner is a Diplomate of the American Board of Orthodontics.

Joel and his wife, Denice, were both raised in Washington State and are tried and true Washingtonians. They have 4 kids and 3 crazy dogs. They stay active in outdoor activities ranging from walking their dogs to skiing in the winter, coaching youth sports, and service and volunteer efforts as a family. He has been an orthodontist since 1999.

Our staff will remain to assist Dr. Gardner in providing the quality care you have come to expect and deserve. It has been a true pleasure to serve you and to get to know each and every one of you. Thank you for your friendship and trust over the years.

Best wishes,

Charles Hall DDS, MSD
