

We will need the following things from you.

- 1) A check in the amount of \$2000 made out to Wilson County RWD 11 for the new meter.
- 2) Return the check and the filled out enclosed application to:

Wilson County RWD 11  
PO Box 386  
Fredonia, KS 66736

The application should include:

- A) The mailing or 911 address of the property on which the meter will be installed.
- B) Your phone number.
- C) The legal description of your property, which you can find on your deed or property tax statement.
- D) The address where the bill should be sent, if the meter location address is not going to be occupied currently.

Sign and date the application and return it to us. The Board will review the application at the next monthly meeting. Upon approval you will be contacted by our district operator to schedule the meter installation.

You can review the bylaws of the water district at <http://ruralwaterdistrict11.com>. The current monthly rates are: Meter fee \$30 plus \$10.85 per 1,000 gallons of water used. A 10% late charge is added for payments made after the due date of the 15<sup>th</sup> of the month. The \$30 meter fee is so that the liabilities of the district are guaranteed to be covered even when the water usage of the district might be slight.

The \$2000 installation fee covers a normal meter install close to the main. If your meter installation requires a long run of pipe or if the main is on the opposite side of the road, there will be additional charges to be determined at time of install. The installation fee only covers the installation of the meter, piping on the customer's side of the meter is the customer's responsibility to have installed. The valve on the district's side of the meter should not be used as a shutoff valve by the customer, an actual shutoff valve should be installed on the customer's side of the meter. If the customer wears out the district's valve, the cost of replacement will be paid by the customer.

If you are interested in setting up automatic payments, please check out the forms on the Forms page of the above mentioned website.
