St John's Community Worship

Over the coming months, David Folker will be organising St John's Community Worship Services, where staff and students from St John's Lutheran School will lead Sunday worship at St John's Lutheran Church. These services will be a wonderful opportunity for school families to connect with our congregation as we participate in worship together. These services will also give our congregation insight into the worship life of students at St John's Lutheran School and an opportunity to "cheer students on"!

The first of these services will be 2 August. Thanks for making any guests (staff, students and families) feel welcome.
