Notes on the Gospel Lesson: Mark 5:21-43: St Mark here records two miracles which show powerfully that humble but absolute trusting faith receives Christ's divine power otherwise humanly unattainable. The synagogue leader was prepared to go quite against the negative flow of the religious authorities' reaction to Jesus to request healing for his daughter. Yet even after the news arrived that the child had died, Jesus saw Jairus's need to overcome his possible temptation to fear through simply believing. The woman who was healed appropriated his power without firstly asking for his attention. Her utter faith moved her expectantly to touch his garment. Jesus then confirmed her healing, referring to her faith which saved her. For us the situation of our need may be different, but God's gracious recognition of and response to our faith has not changed.

St John's Lutheran School Council News - Karyn Bjelke-Petersen has informed us of her intention to conclude her term as Principal at the end of this year after 5½ years in the position. Karyn has held many roles within our school both as a parent and also a staff member since 1995. We have been blessed to have Karyn serve at St John's for the last 30 years and we will take time to celebrate Karyn's contributions later in the year. The school Council sincerely thank Karyn for her tireless effort, passion and commitment. We wish Karyn well in her future endeavours and pray God will continue to bless her.
