- For God's faithfulness to us as a church, as we approach the General Synod Convention in Adelaide. Ask for guidance and patience in all the decision making.
- For those who have grown weak and weary may find power and strength in Christ our Lord.
- Build up the fellowship in our congregations so we may be well equipped for service and mission in the world.

Anyone needing our prayers? Please send requests to kroy.luth@gmail.com

Notes on the Gospel Lesson: Mark 6:1-13: God always calls for humble faith and shows himself and his works in answer to it. When Jesus the 'local boy' came back to his hometown, faith was completely lacking. The people rejected him. Hence Jesus could not do the works of his Father. When Jesus sent out his disciples among the villages, he sent them with obvious lack of human resources. They were thus able to see from their own experience that it is also necessary for those who minister the word and the Spirit's power. Human approval of their message was secondary to simply proclaiming it. Demons were therefore subject to them, and many sick were cured.

Kindness is a real gift and precious to each person assisted through ALWS:

... the children of war in Myanmar you help go to school with the 5:1 Government Grant

... the farmers you help increase their harvest in Burundi

... the children in Kharkiv, on the Ukrainian border with Russia, going to school in underground nuclear shelters converted to classrooms by our ALWS partner LWF, and then home to apartments you helped renovate after bombing.

These are just some of the 400,000+ people helped through ALWS this past financial year, which you'll be able to read about all of this in your Report Back later this month!

Thank you for your faithful kindness, the hope you give, and most of all, the love you share and reflect into the world. ***You are a blessing ALWayS!***

Way Forward framework to be further refined; Conference dropped

At its June meeting, the General Church Board (GCB) and the College of Bishops (CoB) resolved to remove the Conference component from the Way Forward proposed framework. The decision was made after hearing the concerns of church members about the Conference. A key principle in the revised framework is respect for all, no matter what their belief about the ordination of both women and men.

The Way Forward team continues to refine the framework, for presentation to the July meeting of GCB/CoB, when it is anticipated that it will be finalised and approved for publication in the General Synod Book of Reports.

Opportunities to learn more about the framework will be provided through district-based gatherings during August and September.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
