"We Are Compassionate": An Update from St John's Lutheran School

Last term I introduced St John's congregation to "Free To Flourish"; Lutheran Education's vision for learners and learning across our system of schools. At St John's, we are using the Free to Flourish framework to explore what the Bible says about our identity in Christ. Each term we have a different "Faith Focus"; in Term 1 we looked at "We are Adventurous" and shared some faith stories about our calling to live boldly for the gospel. This term we have been delving into what it means when we say "We are Compassionate".

As part of our term focus on "We are Compassionate", our staff and students have been fundraising for Australian Lutheran World Service's "Walk My Way" initiative. Every \$25 we raise is helping a disadvantaged child step out of poverty. Every day this week our students are walking laps of our school oval for this very worthy cause. If you are willing to support our campaign, we would really appreciate it! Donations can be made by visiting our website

If you'd like to learn more about Free to Flourish, you can visit the Lutheran Education Australia website <https://growingdeep.lutheran.edu.au/index.php/free-to-flourish/>.

Every blessing,
David Folker.
