An update on Sandra Allen, (Cherryl's Sister). Sandra was involved in a Motor Car accident on the 8<sup>th.</sup> of January and was taken the same day to the P.A. Hospital in Brisbane, where she has undergone many operations including on her neck. After about 7 weeks in I.C.U. and 3 weeks waiting for a bed in the spinal unit, she is now settled in the Spinal ward and receiving expert attention. Sandra has no feelings below her chest. She can now move her arms slightly, but has no control of the movement, and cannot feel her fingers. She cannot move her legs, and is completely reliant on the help of others. She cannot even cough to clear any congestion on her chest. She is being assisted with an ipad that is voice controlled, so that she can now phone family when she has the energy to do so. The road ahead for her recovery is a long one. She still needs, and thanks everyone for their prayers.

\*\*\*\* **Please keep Pastor Rob in your prayers**. Rob had a heart attack in 2002 and over time had regained improvement in heart function with help from medications and a defibrillator. Recently he has had significant decline in heart function, necessitating reduction in physical functions (including preaching), and is scheduled for an upgraded implanted defibrillator at end of May.

**St Paul's Murgon will be welcoming** *Basil Wilks* (son of Ky and Cassandra Wilks) into the family of God through baptism today, May 15. We praise God for the gift of new life, and pray His blessing over Basil as he begins his journey of faith.

Sistas in Sync presents

# Melinda Tankard Reist & Daniel Principe

# 'Too Much Too Young'

The sexualisation of our young people and what we can do about it

## 24th May 2022 7pm St Johns Lutheran School Hall, Ivy St, Kingaroy

*Melinda Tankard Reist* is an author, speaker, media commentator, blogger and advocate for women and girls. She is best known for her work addressing sexualisation, objectification, harms of pornography, sexual exploitation, trafficking and violence against women. She is a co-founder of Collective Shout.

Melinda is probably the world's best presenter on the damage advertisers and pornography do to our children and teens – often when we don't even know. Her highly visual presentations will knock your socks off. You will be left angry in the very best way and be so much better equipped to talk to, and protect, your kids. – **Steve Biddulph AM, Author** *Raising Girls* and *Raising Boys* 

Melinda Tankard Reist has a simple message which is powerfully delivered. With her prodigious intellect, sand blasted sense of humour and immaculate research she puts a much needed spot light on the erosion of childhood, the pornification of our environment and the commodification of young people. – **Dr Michael Carr Gregg**, **Adolescent psychologist** 

Sistas in Sync
