The Chosen is a multi-season TV show about the life of Jesus and the lives of the people he touched. It is fictionalised, in the sense that they try to imagine plausible back stories for the different characters in the Gospels. Yet it is made by committed Christians who are outside the Hollywood system and are trying to be as faithful as possible to what we know about Jesus. Kids can watch too. It is free, since they don't want anyone to miss out, but then they ask for donations to help pay for future episodes. It can be accessed on YouTube among other places:

<https://www.youtube.com/c/TheChosenSeries/videos>
<<https://www.youtube.com/c/TheChosenSeries/videos>>

The dates have been set for the **LCAQD Convention of Synod from 4-6 June 2021 at Brisbane Technology Park, Eight Miles Plains.**

This year we gather under the theme postponed from last year of "Clothed with Christ" based on Galatians 3:26-28: "*So in Christ Jesus you are all children of God through faith, for all of you who were baptized into Christ have clothed yourselves with Christ. There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.*" (Galatians 3:26-28)

COVID SIGN-IN CHANGE: As from 1 May 2021, all Queensland hospitality businesses must use the Check In Qld app when signing in patrons to their premises. On advice from LCAQD, the Church Council has decided that St John's Congregation will register to use the app for people to sign in at church. We will then have a QR code for you to scan with your mobile phone instead of having to fill in your details on paper. If you don't own a mobile phone or aren't comfortable with downloading apps, we can take your details using another method.

You can download the app any time before we start using this check-in method. Go to the website, <http://www.covid19.qld.gov.au/check-in-qld> for more information and the links to download the app from the Google Play or Apple App stores. You will have to enter your details once when you first open the app. When you come to church from then on, you simply open the app on your phone, select 'Check in Now', and scan or enter our code. If you have any questions, please talk to Keith Campbell or Chris Thamm.

EMAIL AND MOBILE PHONE RECORDS: St John's Church Council is updating the register of members' records to include email address and mobile phone numbers. If you are unsure whether you have already provided these details, or if your details have changed, please see Chris Thamm to update your records. We also have a contact list of non-regular worshippers. If you can assist in any way with updating details on this list, we would appreciate your help.
