### ***a Lenten Devotional and prayer guide***

This year's devotional is a result of working with brothers and sisters from around the world, who were asked to write a devotion, based on a verse of their choice, exploring the theme "Hope in the presence of grief".

As you read through these Bible verses and devotions, you will not only learn more about the people with whom we partner, but that the Holy Spirit will also speak into your heart and you will be made aware of the many ways God is present in your life, as you read what our partners share.
