## Mission and other Prayer points

- Continued prayers for the people of Ukraine and Russia.
- Missionaries in Cambodia as they struggle to explain the Gospel in a manner that is understood by the heavily Buddhist population.

### Pray This Week for the following members:

- Eric and Jan Dutschke (Nanango).
- Sandra Allen (Cheryl Hartley's sister)
- For the Thamm family (Kumbia/Kingaroy) as they mourn the passing of Cath last Saturday evening, April 30. (Funeral details over)
- Pray for Pastor Lou as he waits for surgery.
- Pray for Margaret Lewis (sister of Joan Crumpton) as she recovers, with family in Brisbane, after Breast Cancer surgery.

If there are any members needing our prayers, please email Belinda at [kroy.luth@gmail.com](mailto:kroy.luth@gmail.com)

Sistas in Sync presents

## Melinda Tankard Reist & Daniel Principe

### 'Too Much Too Young'

The sexualisation of our young people and what we can do about it

24th May 2022 7pm

St Johns Lutheran School Hall, Ivy St, Kingaroy

**Melinda Tankard Reist** is an author, speaker, media commentator, blogger and advocate for women and girls. She is best known for her work addressing sexualisation, objectification, harms of pornography, sexual exploitation, trafficking and violence against women. She is a co-founder of Collective Shout.

Melinda is probably the world's best presenter on the damage advertisers and pornography do to our children and teens – often when we don't even know. Her highly visual presentations will knock your socks off. You will be left angry in the very best way and be so much better equipped to talk to, and protect, your kids. – **Steve Biddulph AM, Author *Raising Girls and Raising Boys***

Melinda Tankard Reist has a simple message which is powerfully delivered. With her prodigious intellect, sand blasted sense of humour and immaculate research she puts a much needed spot light on the erosion of childhood, the pornification of our environment and the commodification of young people. – **Dr Michael Carr Gregg, Adolescent psychologist**
