St John's Lutheran School Supporting Australian Lutheran World Service

This year, students from St John's are walking to raise funds for precious children in need through Australian Lutheran World Service. Every dollar raised helps provide support for children and families facing poverty and hardship, including access to food, education, safety and hope.

You can support our students by donating to a House team, sharing the fundraising page with family and friends, and helping spread the word throughout our wider community. Together, we can live out compassion in action and make a meaningful difference in the lives of children who need it most.

To donate or learn more, please visit:

Thank you for your support and prayers as our students walk to help others.

Thank you to those who have been supporting the family of Pastor Lou through prayer, encouragement and just "being there" for us in whatever capacity needed. It has helped us through a difficult time. The expressions of sympathy and many thoughtful messages have been greatly appreciated. Thank you too for all involved in making Lou's memorial service a time of celebration and memories of a much loved man of God. The flowers were outstanding, and as always, the catering and hospitality the best. Please accept this as our personal and heartfelt thanks. May God continue to bless you all as you seek to serve him and do his will.

With our love,
Hazel and family
