# Training Seminar

## Understanding Horse Behavior: Worksheet

- ① List the order things were introduced or worked on during today's session:

---

---

- ② What was the horse's biggest area of improvement?

---

---

- ③ Give me a specific example of how body language was used in today's session.

---

---

- ④ Give me a specific example of how pressure and release was used in today's session.

---

---

- ⑤ Did you notice any challenges the trainer encountered while working with the horse?  
How did they address these challenges?

---

---

- ⑥ What was your biggest take away from today's session?
