Newsletter #96

Winter 2018/19

PO Box 654, Rehoboth, MA 02769

Happy New Year, Members!

A new year brings new changes to our organization. First off, please note the new PO Box address above. Your renewal forms should be sent to this address. Do not send correspondence to Francis Farm. Renewal forms will be available after our Members' Meeting on February 10, 2019, see date, time and place below.

At our October 17th meeting, the Garden Pullers proposal to separate from the club was presented and approved. Basically, our assets were divided between NEATTA and the proposed new Garden Pulling Club. As of December 31st, all of the equipment had been removed from Francis Farm. The new Garden Pulling club received their non-profit corporation status in December. They are South Shore Garden Pullers, Inc.

One change to be considered at our February meeting is the option of joining with Early Day Gas Engine and Tractor Association (EDGE & TA) like we did at the beginning of our club in 2007. Tom Soares will be presenting information on this. Members will be setting the dues based on this information and pending the club's decision whether or not to join with EDGE & TA.

UP COMING EVENTS

February 10, 2019 – Sunday – Members' Meeting at Acushnet Grange Hall, 1121 Main Street, Acushnet, MA 02743. Meeting time is 1:00 pm. As mentioned above, we will be deciding on joining with EDGE & TA and setting the dues for the year. (Membership forms will be available at the meeting once the dues have been set.)

March – Member's Meeting – TBA - Nomination of Officers, Board members, Charter change proposals

April – Member's Meeting – TBA – Voting for Officers and Board members, charter changes

Visit our new website www.neatta.org, or visit our Facebook page or call Brian Chasse 508-644-2627 or Paul Camara 774-263-3269.

Stay warm!
