Newsletter #99

Late Spring 2019

EDGE & TA Branch 256
PO Box 654, Rehoboth, MA 02769

Greetings Members!

The warmer spring weather awakens new energy in our winter weary selves. By now the outdoor planting season has begun and many of you are busy getting the growing season started. You have probably taken your old machines out of winter storage; some to use them in the fields, and some to get ready to put on display. Life is renewed and the circle continues.

It is fitting during this spring, that our Club goes through a renewal process too. We finally have our EDGE & TA Branch number, #256. Membership renewal forms are included with this newsletter. One thing to note is that *every* family member who wishes to take part in a NEATTA / Branch 256 event MUST be a member, no exceptions. Please return your completed applications with payment to Lynda Ellis at a Membership Meeting or by mailing it to **NEATTA, PO Box 250, Middleboro, MA 02346, attention Lynda Ellis** If you have already renewed, then share this form and invite a friend to join!

And now for a little humor: from www.funnyjokes.com

An environmentalist dies and reports to the pearly gates. St. Peter checks his dossier and says, 'Ah, you're an environmentalist - you're in the wrong place.' Thinking that heaven could never make an error, the environmentalist reports to the gates of hell and is let in.

Pretty soon, the environmentalist gets dissatisfied with the environment in hell, and starts implementing eco-friendly improvements. After a while, global warming, air and water pollution are under control. The landscape is covered with grass and plants, the food is organic, and the people are happy. The environmentalist has become a pretty popular guy.

One day God calls Satan up on the telephone and says with a sneer, 'So, how's it going down there in hell?' Satan replies, 'Hey, things are going great. We've clean air and water, the temperature is better and the food tastes better, and there's no telling what this environmentalist is going to fix next.'

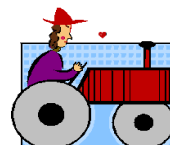

God replies, 'What? You've got an environmentalist? That's a mistake; he should never have gotten down there, send him up here.'

Satan says, 'No way. I like having an environmentalist on the staff, and I'm keeping him.'

God says, 'Send him back up here or I'll sue.'

Satan laughs uproariously and answers, 'Yeah, right. And just where are you going to get a lawyer?'
