Late Spring 2021

EDGE & TA Branch 256

Greetings!

I hope all is well with our members and their families! Finally, the light at the end of the tunnel can be seen! It is amazing what a little fresh air and sunshine will do for the soul!

We had a members meeting on April 25th at the Grange Hall in Acushnet with about 25 members in attendance. We held a members' only auction for the 1956 Farmall 100 with assorted implements. The winner of the auction was Lynda Ellis with a high bid of \$1050.00.

We reviewed the list of upcoming events including our own show to be held at the Soule Farm on May 15th (rain date May 16th) We are hoping for a good display of Farm Tractors, Garden Tractors, Trucks and Engines. There will be tractor games with trophy prizes and participation ribbons for display vehicles. You may bring your stuff on Friday night if you like. Please have your display items in place before 9 am the day of the show. We will be auctioning off a 1956 Ford 600 with a beast of a bucket, working hydraulics and tire chains during the show. (see next page). **Parking for trucks and trailers will be across the street from the Soule Farm.**

On May 8th (rain date 9th) there is a Retired Iron Show in Greenfield, MA with a swap meet and craft fair. Josh Newey will be representing NEATTA there. Hopefully, we will have a few new members join us!

The Memorial Day Parade in Rehoboth has been cancelled, unfortunately. At first, Rehoboth wasn't planning one, then they decided to have it, then they cancelled it. If they change their minds again, I am sure we would participate. We won't be participating in the Seekonk Memorial Day event. It is a rolling rally which is too fast for us, well, most of us anyway. It should be noted that long time member Ralph Travers of Seekonk will be turning 85 on Memorial Day, which is almost as old as some of our members' tractors! Happy returns of the day to Ralph!
