

Happy New Year!

Hello Members!

Our new year is beginning soon!

Here's a message from our President, Steve Dors:

EDGE & TA Branch 256

Hi to all.

I hope everybody had a Happy Holiday Season and things are going well for you. As we begin to start a New Year, there should be a lot of good things to happen. The weather hasn't been too bad for winter, and I hope you are getting time to work on your projects. If anyone has any stories pertaining to our hobby (restorations, purchases, repairs, or travels to shows etc.) it would be nice to have them to put in the Newsletter. There will be a membership meeting Feb. 5th at the Acushnet Grange hopefully you can make it and there will be the opening of nominations for elections at the meeting. Elections will be taking place at our March meeting. We have positions up for election if you are interested. There will be a Spaghetti Supper scheduled for March 25th, hope you can attend, it was a fun time last year. This Spring there will be Plow Days again. There will be a NEATTA Show again this year and plans are in the works. So, with that said, we are looking for another event-filled year and hope you can join in on the fun.

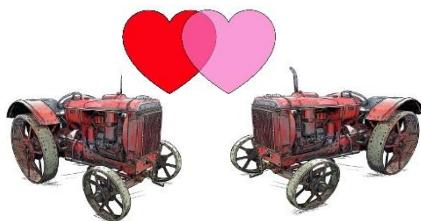

-Steve
