NEATTA NEWS

Spring 2021

EDGE & TA Branch 256

Happy Spring to our Members!

Could it be? Is that a light at the end of the tunnel? Though we are still struggling with COVID-19, the numbers are getting better and the weather is warming up! It's great to get outside and enjoy life a little!

The Board of Directors met on March 28th to begin the new NEATTA season. We would like to plan a show again this year. We are looking into possible venues and the Soule Farm in Middleboro is being considered. We are also trying to plan a plough day. In the meantime, other groups are planning their own shows too. A good source for information on these events is the Yankee Memorial Show List 2021. Here is the internet link for you;

<https://sites.google.com/view/ctyankeejr/yankee-show-list>

Also, at our meeting, we determined the results of the election. The only contested race was the position of Vice-President. Jerry Baker won, however, with Steve Dors moving on as President this left two seats vacant on the Board. The Board of Directors decided to fill the vacancies by inviting the other two candidates for VP, Brad Wills and Robert Phillips, to serve on the Board for the upcoming year. Both have accepted. Congrats to all the new and returning Officers and Board Members! Let's crank start this club and get 'er moving!

We are planning an in-person NEATTA members meeting **on Sunday, April 25th, 1 pm at the Acushnet Grange**. We are planning to hold the meeting outdoors. Members should bring a chair to sit outside. At this meeting we will be auctioning off the 1956 Farmall 100. There is a sickle bar, a lift all and a plough that go with it. This is a **members only** auction so be sure your membership is up to date! Masks will be required. The meeting can be held inside if the weather is not good.

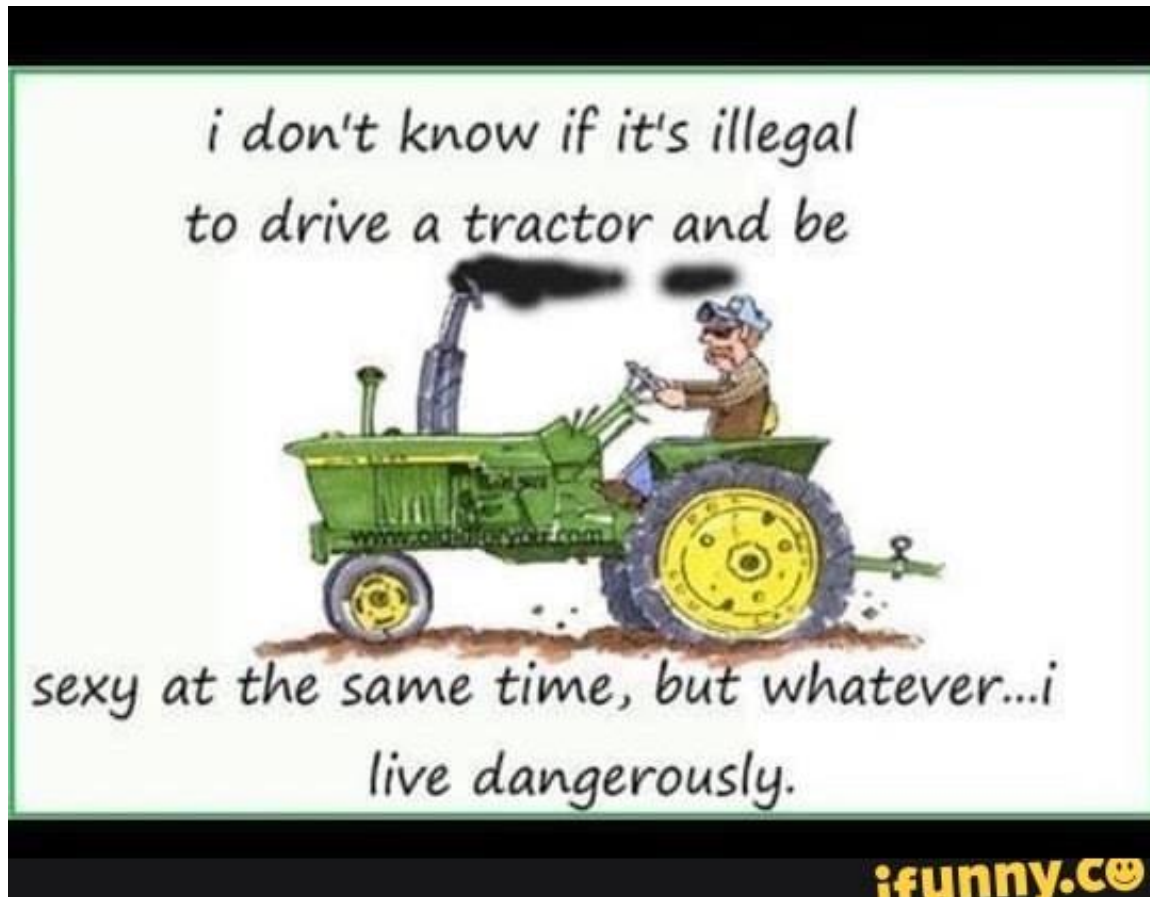

In other business, the Manny Veader Scholarship award for 2020 was paid out to Travis Perry of Westport. Congrats to Travis! The club will be funding the scholarship again this year.

Our Membership Secretary, Lynda Ellis, has sent out membership forms to all of last year's members to renew. Anyone who needs a membership form may contact her 774-260-1117 or go to the club webpage and download a copy to print out and mail in.

As always, check out our website www.neatta.org or the EDGE & TA website for new information www.edgeta.com

As always, hoping everyone one stays safe and sane until we can get together again soon!
