

EDGE & TA Branch 256

Hello Members!

Welcome Summer! We had an exciting and active Spring. Here's our President's message;

"Hi to all the NEATTA Members,

We have been busy this spring with a Ham & Bean Supper, two Plow Days, Edaville Railroad Show, three Memorial Day Parades and a Foxboro Founder's Day Parade! To top it off, we were able after a few years, to put on a full NEATTA Show. It was a great success with a swap meet/flea market, working exhibits, tractor games and wagon rides. We also had many tractors and trucks on display. A big thank you goes out to JJ Pereira for the use of Silverbrook Farm and the time he spent helping set up for the event. I would like to thank everybody that took the time to volunteer and help.

We had one of our Directors, Bob Woodbury, resign as of our last meeting due to family issues. I would like to thank Bob for taking the time to serve on the board. His term expires April 14th, 2023. If anybody is interested in finishing his term on the Board, contact me or Jerry Baker.

With all the events coming up please make sure everybody stays safe. We are all Safety Officers and all need to abide by EDGE & TA safety rules. Hope to see you all at the next event.- Steve"

Let's hope your fields and gardens are planted and that your hay will soon be cut and baled!

Some parting photos of the Foxborough Founders' Day parade which was dedicated to Paul Dean. We had a great turn out!

Above, tribute to Paul Dean pulled by his daughter Jaime and son in law Bob Walter with Paul's 1931 Toro above left.
