

EDGE & TA Branch 256

Hello Members!

President's Message:

Hi to all Members,

Well, it has been a tough spring with the weather in May and June. Myself, I am having trouble getting my haying done. Schedule changes at plow days and the unfortunate cancellations of our NEATTA Show *three times*, was challenging. The Memorial Day Parades went well with good participation. There are a lot more events scheduled for the year. Hopefully, we are not in a rainy-day weekend pattern for the rest of the season. It has been decided to have a Members Cookout including a Tractor and Truck Show on July 22<sup>nd</sup>. We will be auctioning off the two donated tractors then. Also, we will be having tractor games for anyone interested. The club also has a donated Farmall Cub tractor with a plow that will be auctioned at a later date. So, with this, we have a lot to come!

Hope to see you at some of our events. Have fun and stay safe.

Steve
