Fall News 2025

Hello Members!

Can it really be fall already?? Where did the summer go? Let's hope everyone has gotten out to an event at least once this year! We certainly have had plenty to choose from and there's more coming up! Unfortunately, our usual last show at Araujo's Farm in November will not be happening this year. 😞

Now a word from our President:

Hi to all NEATTA members,

I hope everyone is doing well. It has been a rather hot and dry summer. I hope everybody has enjoyed it after having an event-filled spring, with the last spring event being Foxborough Founder's Day Parade. It was a good time, thanks Bob Walter for organizing it for us. The North Middleborough 4th of July Parade had a great turnout of 39 antique tractors and two trucks from members and non-members. Next, some members went to Billings Farm Antique Tractor Day. We had great weather and the annual "slow tractor race" was interesting as usual. The free ice cream was very good, so, if you can ever go, it is worth the trip. Some members also traveled to Kinzer PA, in Lancaster Co. for the Threshermen's Reunion at the Rough and Tumble grounds. We brought an older member from N.H. with his Cub Cadet tractor who had never been. He had a great time. Also, there were five other members that attended and brought tractors.

The club was invited on Aug. 23rd to the Little Compton RI Farmer's Day Celebration. It was part of the town's 350th anniversary celebration. We had members there with their tractors who were invited to have free food and ice cream. On Aug 24th we were at the Marshfield Fair to exhibit with members. We had nine tractors, and two antique trucks participate. It was nice to see the trucks at this event.

Also, as we move along with the year, we have many more events out there available to attend. We will be having some plow days this fall, but only a few dates have been set at this time. Please check the website and contact Jerry Baker or myself if you are interested in attending.

NEATTA has been invited to be the feature club at the Rehoboth Historical Show and Fair on Sept. 13th. We will be needing some members to help out with this event as we will be more involved this year. Contact Jerry Baker if you can help. There is plenty of room and we would like to see a good showing of Antique Tractors and Trucks. This event is growing every year and is in a nice location. I hope to see more of our members before the year is done.

Stay safe and enjoy, Steve

Events list for Fall Tractor Fun: events listed in **BOLD** are NEATTA endorsed or sponsored events. Those with regular type are events of interest. Those with an * indicate a NEATTA/EDGE & TA insured event.

- **Plow days coming in Sept\Oct:** We will be having Plow Days in Sept. and Oct. Dates to be determined as info comes in when the fields are ready.
