LUCY CHATTERTON VIDEOGRAPHY

Welcome

HEY THERE, I'M LUCY!

I've always been captivated by the beauty of love stories. After completing my diploma in photography, specialising in fashion and weddings, I discovered that videography was where my true passion lies. There's something about combining video and audio that allows me to capture the raw, real moments of your wedding day—the smiles, the laughter, the emotions—that bring your love story to life.

I believe a wedding film should do more than just document the day. It should transport you back to that moment, letting you relive every precious detail and feel the love all over again.

On your wedding day, my goal is for you to be fully present and enjoy every moment. I'm there to capture your story, not turn your day into a photoshoot. I'll offer some light guidance when needed—like suggesting the best lighting for those magical morning preparations or posing ideas during the portrait session—but for the most part, I blend into the background so you can focus on what truly matters: celebrating your love.

Every wedding is unique, and my approach reflects that. I'm here to document your day authentically, capturing those spontaneous, candid moments that make your story one of a kind.

LET'S CREATE A WEDDING FILM THAT YOU'LL CHERISH FOREVER!

SAM & CLAIRE ★★★★★
MARYBROOKE MANOR

"Lucy captured our wedding day and we couldn't be happier with our final product. Throughout the day she ensured we felt as calm and natural as possible and gave directions to help us in such a genuine manner. Communication leading up to the big day was wonderful as well and not rushed. Lucy genuinely wanted to know how she could fit into our day, rather the other way around. We felt that Lucy really cared about us, our day and her job professionally. Thank you Lucy!"

Turn it into a Movie Night!

Relive the magic of your day as you watch your wedding film together. You can typically expect your video within 8-10 weeks after the wedding, with the busier season leaning toward the latter. During quieter times of the year, delivery may be even sooner. Once you've received your film, don't forget to share and tag me—I'd love to see your reactions!

"Lucy was nothing short of amazing on our wedding day. Her confidence and ability to direct everything perfectly was outstanding. No request was too big or too small. Her communication with us before, during and after was excellent! We are in absolute awe of our wedding video. Lucy is a must have at your wedding!"

FAQ

WHERE ARE YOU LOCATED? ARE YOU OPEN TO TRAVELING FOR OUR WEDDING DAY?

I am based between the Surf Coast and the High Country but work all over VIC and NSW. Travel fees are not associated with VIC or NSW weddings as I love to travel! Between June and August each year I try to do some travelling, if you are having your wedding in another state or internationally during this time I will turn in into a holiday to minimise your travel fees.

IS IT POSSIBLE TO OBTAIN THE RAW FILES?

Yes, it is possible to get a copy of the RAW files. I will want to have a chat with you first to ensure you know what to expect and make sure this what you want.

DO I NEED TO BOOK A SECOND SHOOTER?

Usually, I do not bring a second shooter unless it's a large wedding with many guests and the timeline is particularly tight.

If you'd prefer an additional videographer, I'm happy to arrange that.

A second videographer can be particularly helpful if there are many different locations.

DO YOU HAVE A PAYMENT PLAN?

Yes, I can do a payment plan.

Typically it is a \$750 deposit with the remainder due one month before the wedding. Alternately the total can be split into four equal payments or a custom payment plan can be made to suit you.

WHAT'S THE ATMOSPHERE LIKE ON THE DAY?

I like to think of myself as a bit of a fairy godmother on your wedding day—there to help create perfect moment for you.

I bring a sense of calm to the day, staying relaxed yet always professional. While I'll ensure everything runs smoothly and step in when necessary, I'm careful to let you fully enjoy the day, capturing your moments without being intrusive. After all, it is your day, not mine.

WHO DO YOU RECOMMEND?

I am more than happy to help with vendor recommendations. As I work all over VIC and NSW I will recommend vendors specific to your location.

"Lucy was an absolute delight to deal with for our wedding celebration. From her communication leading up to the day and also her guidance during the day put us at ease. We didn't even notice she was there (in a good way!) which made us feel relaxed and going about our day as naturally as possible. All of our videos are perfect and she captured moments we weren't there for or were unable to see of our guests having a lovely time.

Thank you Lucy for your skill and lovely easy personality. We appreciate the work you put in on our special day."
