6. **Extended Notice Requirements.** If the Association's rules require a longer notice period for a Board meeting, the longer notice requirement will apply.
7. **Action Taken Outside of an Open Meeting.** A Board may take action outside of a meeting, including voting by electronic and telephonic means, without prior notice to owners if each Board member is given a reasonable opportunity to express the Board member's opinion to all other Board members and to vote. Any action taken without notice to owners must be summarized orally, including an explanation of any known actual or estimated expenditures approved at the meeting and documented in the minutes of the next regular or special Board meeting.

BID PROCEDURES

Background. Section 209.0052 of the Property Code has been amended to impose certain requirements on contracts for services that will cost more than \$50,000.

1. **Minimum Requirements.** If the Association proposes to contract for services that will cost more than \$50,000, the Association shall solicit bids or proposals in accordance with this Bid Procedure Policy.

2. **Bid Solicitation Process.** The Association will attempt to obtain multiple bids or proposals for any contract for services that will cost more than \$50,000. The Association will not require more than one (1) bid before entering into a contract if:
 - (a) the Association's authorized agent, manager, or representative (including an authorized director or committee member) has submitted a written request for a bid or proposal to at least three (3) vendors;

 - (b) the request included a deadline for the Association to receive bids or proposals that afforded the vendor at least seven (7) days to submit a bid or proposal; and

 - (c) despite the request for bids or proposals, only one (1) bid or proposal was received by the Association on or before the stated deadline.

3. **Amendment.** The Association's Board of Directors may modify these bid procedures; however, any amended or supplemental bid procedures must be documented in writing and approved by a majority vote of the Board of Directors.

TAB 5

POOL FENCING AND SECURITY DEVICES/FENCES

1. **Approval Required.** All improvements, including the installation of pool fencing, security measures, and security fencing, must be submitted for approval in accordance with the Association's architectural review requirements. Written approval must be furnished to the owner before installation or construction may commence.

2. **Swimming Pool Enclosures.** The term "swimming pool enclosure" means a fence surrounding a water feature, including a swimming pool or spa, consisting of transparent mesh or clear panels set in metal frames, is not more than six feet in height and is designed not to be climbable. An owner must submit any request to install a swimming pool enclosure to the Association for approval. The Association will apply its architectural requirements to the request; however, the Association may not deny an owner's request to install a swimming pool enclosure if the swimming pool enclosure conforms to applicable state or local safety requirements and the swimming pool enclosure is black in color and consists of transparent mesh set in metal frames.

3. **Security Measures.** To the extent a property owner is authorized by law to build or install security measures, including, but not limited to, a security camera, motion detector, or security/perimeter fencing, the owner must still submit a request for architectural approval in accordance with the Association's architectural review requirements for the construction or installation of improvements. Front yard fencing is discouraged. However, if an owner wishes to install security fencing in the front yard, the fencing must consist of ornamental wrought iron or metal fencing (painted black) with the following general specifications: Pickets ¾" square; Rails 1 ½" square; Standard Posts 2 ½" square; Picket Spacing between 3" and 4"; Post Spacing 8' OC; Height between 48" and 60". Slats, planks, or other solid material may not be installed on metal fencing.

4. **Amendment.** This policy may be amended by the Board of Directors.

TAB 6

DELINQUENT ASSESSMENT NOTICE REQUIREMENTS

[SUPPLEMENT TO THE ASSOCIATION'S COLLECTION POLICY]

Background. Sections 209.006, 209.0063, and 209.0064 of the Property Code have been amended to require an Association to afford an owner a minimum period of 45 days to cure the delinquency and impose additional restrictions on the Association's ability to report the delinquency to a credit reporting service. In particular, this Delinquent Assessment Notice Requirements Policy *supplements* the Association's existing assessment collection policies and procedures to (a) extend the cure opportunity to 45 days; (b) to require notice and an opportunity to cure in the event the Association decides to notify any credit reporting service of the owner's delinquency; and (c) to incorporate the new requirement that certain fees or charges be "reasonable."

1. **45-Day Deadline to Cure.** For any delinquency, before the Association may hold an owner liable for the fees of a collection agent or report any delinquency of an owner to a credit reporting service, the Association or its agent must give written notice to the owner by certified mail. The notice shall specify each delinquent amount and the total amount of the payment required to make the account current. The notice must also describe the options the owner has to avoid having the account turned over to a collection agent, including information regarding the availability of a payment plan through the Association, and the notice must provide the owner with a period of at least 45 days for the owner to cure the delinquency before further collection action is taken.

2. **Credit Reporting.** If the Association reports any delinquency, including delinquent fines, fees, or assessments, to a credit reporting service, the Association must first send the owner, via certified mail, hand delivery, or electronic delivery, a notice that includes:
 - (a) a detailed report of all delinquent charges owed; and
 - (b) information about the opportunity to enter into a payment plan.

Notice of the intent to report the delinquency may be combined with the 45-day notice set forth in *Paragraph 2* above. The Association or its agent may not report any delinquent fines, fees, or assessments to a credit reporting service that are the subject of a pending dispute between the owner and the Association. In addition to the foregoing requirements, the notice must be sent at least 30 business days before the report is made. No fee may be charged back to the owner for the cost of the actual reporting of the delinquency to the credit reporting service.

3. **Application of Payments.** Any payment made by an owner who is not in default under a payment plan shall be applied to owner's debt in the following order of priority:

- (a) any delinquent assessment;
- (b) any current assessment;
- (c) any reasonable attorney's fees or reasonable third-party collection costs incurred by the Association associated solely with assessments or any other charge that could provide the basis for foreclosure;
- (d) any reasonable attorney's fees incurred by the Association that are not subject to the preceding provision (Paragraph 3(c));
- (e) any reasonable fines assessed by the Association; and
- (f) any other reasonable amount owed to the Association.

If at the time the property owners' Association receives a payment from a property owner, the owner is in default under a payment plan entered into with the Association, then the Association is not required to apply the payment in the order of priority specified above; and, in applying the payment, a fine assessed by the Association may not be given priority over any other amount owed to the Association.

4. **Amendment.** This policy may be amended by the Board of Directors.

TAB 7

RELIGIOUS DISPLAY POLICY

1. **Display of Religious Items.** Section 202.018 of the Texas Property Code provides certain rights for an owner or resident to display or affix one or more religious items on the owner's or resident's property. The display of which is motivated by the owner's or resident's sincere religious belief.
2. **Content Prohibitions.** No religious item may be displayed that: (a) threatens the public health or safety; (b) violates a law other than a law prohibiting the display of religious speech; or (c) contains language, graphics, or any display that is patently offensive to a passerby for reasons other than its religious content.
3. **Location Restrictions.** No religious item may be displayed that: (a) is installed on property owned or maintained by the Association; (b) installed on property owned in common by members of the Association; (c) violates any applicable building line, right-of-way, setback, or easement; or (d) is attached to a traffic control device, street lamp, fire hydrant, or utility sign, pole, or fixture.
4. **Removal.** The Association may cause to be removed any item which is in violation of the terms and provisions of this policy.
5. **Conflicts.** To the extent that any provision of the Association's recorded covenants restrict or prohibit an owner or resident from displaying or affixing a religious item in violation of the controlling provisions of Section 202.018 of the Texas Property Code, the Association shall have no authority to enforce such provisions, and the provisions of this policy shall control.

TAB 8

The term includes the declaration or similar instrument subjecting real property to: (a) restrictive covenants, bylaws, or similar instruments governing the administration or operation of a property owners' Association; (b) properly adopted rules and regulations of the property owners' Association; or (c) all lawful amendments to the covenants, bylaws, instruments, rules, or regulations. The Association shall file the dedicatory instruments in the real property records of each county in which the property to which the documents relate is located.
