Meet Your Instructors

Katherine Collett — “Miss Kate”

Owner & Director, MK Studio School of the Arts

Katherine Collett, affectionately known as **Miss Kate**, has been passionate about dance from a young age. A former Danceworks alumna, Katherine received multiple **1st and 2nd place awards** throughout her competitive dance career and earned her dance certification at the age of 16.

Since then, Katherine has continued to expand her education and experience by working alongside numerous respected dance professionals and studios. Her experience includes working with **Renee's Dance Connection in North Bay, Ontario**, as well as working alongside **Julie Dionne**, past president of the Canadian Dance Teachers Association (CDTA), at her former studio, **J.D.'s Fabulous Feet** in Red Deer, Alberta.

Through these experiences, Katherine has continued to advance her **CDTA certifications** and now provides instruction across a variety of dance styles. Her goal is to ensure that every dancer receives strong technical training while also developing confidence, creativity, discipline, and a genuine love for the performing arts.

Katherine is also a graduate of the **Theatre Arts Program at Canadore College in North Bay, Ontario**. She brings her theatre training into the studio by incorporating **musical theatre, performance, acting, and stage presence** into the MK Studio program.

For Katherine, dance is about much more than learning choreography. It is about creating a safe, supportive environment where dancers can **grow, learn, and inspire** both inside and outside the studio.

Emilie Lafontaine — “Miss Emilie”

Certified Acrobatic Arts Instructor

Emilie Lafontaine has been an important part of the MK Studio family since **2018**, working alongside Miss Kate and helping dancers develop both their technical abilities and confidence.

A former **Danceworks alumna** herself, Emilie competed at the competitive level and followed closely behind Miss Kate during her own dance journey. She excelled in a variety of dance styles, with **tap** becoming one of her strongest specialties.

Emilie is a **certified Acrobatic Arts instructor** and brings her knowledge, patience, and enthusiasm into every class she teaches. Her passion for dance and dedication to her students make her an invaluable part of the MK Studio teaching team.

Since joining Miss Kate in 2018, Emilie has continued to grow as an instructor while helping contribute to the positive and welcoming environment that makes MK Studio special.

Together, Miss Kate and Miss Emilie believe that **every dancer deserves to feel valued, supported, and included**. They work closely together to ensure that dancers of all abilities are treated with respect, encouraged to reach their individual potential, and given the opportunity to thrive.

Our Commitment

At MK Studio, we believe that every dancer has something special to bring to the stage. Our goal is not only to teach dance, but to help each student **grow in confidence, learn new skills, discover their strengths, and inspire others along the way.**
