 - Scholarship awards are paid directly to the student for college or university programs to support education expenses. Installments may be adjusted based on the college or university's enrollment schedule.
2. Trade School/Non-credit Scholarship:
 - For students who plan to earn a skilled trade or credential program (for example, barber school, welding, manufacturing, IT coding, etc.), the scholarship is a one-time award, up to \$2,000 not to exceed the cost of the program, including exam, fees, and credentialing.
 - Scholarship awards for credential programs are paid directly to the program on the student's behalf for credential or certification programs with proof of billing. One-half will be paid at the start of the program and one-half will be paid at the midpoint.
