A Heart That is Free

“If you remain in my word, you will know the truth, and the truth will set you free.”

These words of Jesus challenge us to examine what enslaves our hearts. Sin binds. Fear paralyzes. Lies deceive. But Jesus offers freedom.

Lent is a journey from slavery to freedom, from sin to grace. But we must remain in His word – daily prayer, scripture, the sacraments – if we are to experience true liberation.

This week ask: What holds me back from truly following Jesus? Identify your chains, surrender them, and walk in His freedom.

Reflection question: What do I need to surrender to Christ to experience true freedom?

This is Solidarity Weekend throughout the Roman Catholic Church of Canada when Roman Catholic parishes throughout Canada like St. Veronica’s follow the mission of Development and Peace- Caritas Canada. This is the official international development organization of the Catholic Church in Canada which is a democratic movement for **global solidarity** rooted in **Catholic Social Teaching** that champions women and social movements as key agents of lasting change. In this year of the Jubilee 2025, we are called to be Pilgrims of Hope. Inspired by Catholic Social Teaching, the bishops of Canada, as part of our Jubilee journey in Canada, join the global Catholic campaign, **Turn Debt into Hope**. Let’s restore hope for people by alleviating the insurmountable and unjust debt that burdens many countries of the world.

On behalf of this parish, Thank you for being part of this mission

Fr. Fred
