

Dear Parishioners,

No Public Mass at St. Veronica's until Further Notice!

This closure begins today Friday December 31st 2021!

It is with a heavy heart that I make the above announcement!

This will be the third time during this Pandemic that we have suspended Public mass at St. Veronica's Parish but as we did before we were creative & courageous in maintaining a **Spiritual Communion** with each other.

There is your private prayer as individuals & as family. As well, you can use your Sunday missal 2021-2022 to follow a Weekend Liturgy of the Word. There is a filmed Christmas mass on the cover page of our Parish website. Throughout the Pandemic, several of you have taken part in "live streamed" or filmed masses from Salt & Light TV & other Local English parish "live streams" like St. Ignatius of Loyola or St. Luke's etc.

Fr. Fred & the staff will continue to respond to phone messages & emails as we have throughout this Pandemic.

I would like to thank the "Parish Staff", all Ministers of Liturgy, and all the Parishioners who helped us maintain a Safe, Courageous and Spiritual Parish Community throughout this Pandemic.

Please stay Safe! Please keep well in Mind-Body-Spirit in 2022!

Fr. Fred

Please encourage other parishioners to visit the Parish Website "Cover Page" at:
www.saintveronicasdorval.ca

Please pass on this info to parishioners who do not have access to website or emails etc.
