

Pastor's Christmas Message 2022

Dear Parishioners,

This year the Advent Season flew by for us at the parish still with the News of Covid, Viruses, & the flu swirling around our homes schools work places & parishes. As well, The Voices of the “Empire Builders & Would be Empire Builders” drowning out the Voices of the Peacemakers & the Healers and the Greeters!

That is why: the parishes like St. Veronica's encouraged by The Roman Catholic Church continues to follow the Advent Journey where the Voices of Isaiah echo a hopeful message: “They shall beat their swords into ploughshares”. The Voices of the Prophets like Isaiah calling forward “for a child has been born for us... Prince of Peace...” So come join us for **The Birth of Jesus** (Christmas) Celebrations at St. Veronica's!

Let us join our Voices with Jesus, Mary, Joseph the Voices of Peacemakers! Healers! Greeters! Let us be The Voices of Hope this Christmas and into 2023!

If you are reading this Pastor's Christmas Message on the cover page of our parish website: Please scroll down and you have the copy of our December Bulletin.
