

## Pastor's Message June 2022

Dear Parishioners,

As we begin the month of June, it is good to see the increasing number of parishioners at the weekday and weekend celebrations.

Even though the wearing of masks is no longer mandatory we are recommending the continued use of masks because a significant percentage of our parishioners are senior citizens who are deemed to be vulnerable.

We will continue to have certain pews blocked off and hand sanitizer will be available for your use.

We will update these procedures as conditions change. Our goal is to have safe and spiritual Masses at St. Veronica's.

Thank you for your continued cooperation.

Keep well in mind – body – spirit,

Fr. Fred Kirouac

Please encourage other parishioners to visit the Parish Website "Cover Page" at:

[www.saintveronicasdorval.ca](http://www.saintveronicasdorval.ca)

Please pass on this information to parishioners who do not have access to a website or Emails etc.
