@Tony Bale Amazing!

Why does internal communication matter?

Poor communication can negatively impact an organization, including employee morale, productivity & overall business success.

POOR COMMUNICATION CAUSES

50%

Increased likelihood of missing goals

30%

Likelihood of project failure

33%

Greater employee turnover rates

X4

Negative customer feedback

Why does internal communication matter?

EFFECTIVE COMMUNICATION ENSURES

- ✔ company-wide alignment with shared goals & focuses
- ✔ consistent smooth operations
- ✔ employee engagement & motivation
- ✔ better performance, productivity & efficiency
- ✔ proper time & resource management

WHAT WE'VE HEARD

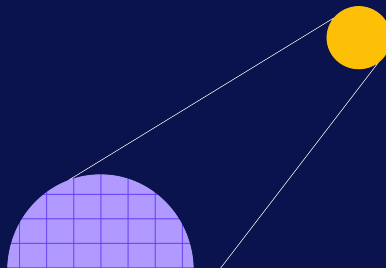

Common internal communication challenges

Using multiple scattered platforms (email, phone calls, meetings, SMS, WhatsApp, company portal)

Difficulty measuring effectiveness

Lack of records

Difficulty prioritizing issues

CONNECTTEAM'S PHILOSOPHY

Communication is everything!

It's the key to success for any organization, business, or company & directly impacts the bottom line.

Connected employees

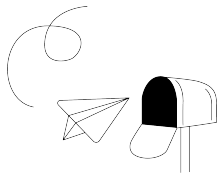

=

higher productivity,
fewer mistakes, greater
efficiency & lower
turnover.

Connecteam's promise

Connecteam empowers you to effectively communicate across your organization, deliver any type of content at any time, analyze its effectiveness & stay in control.

Reach all employees
wherever they are

Know who received,
read & confirmed
information

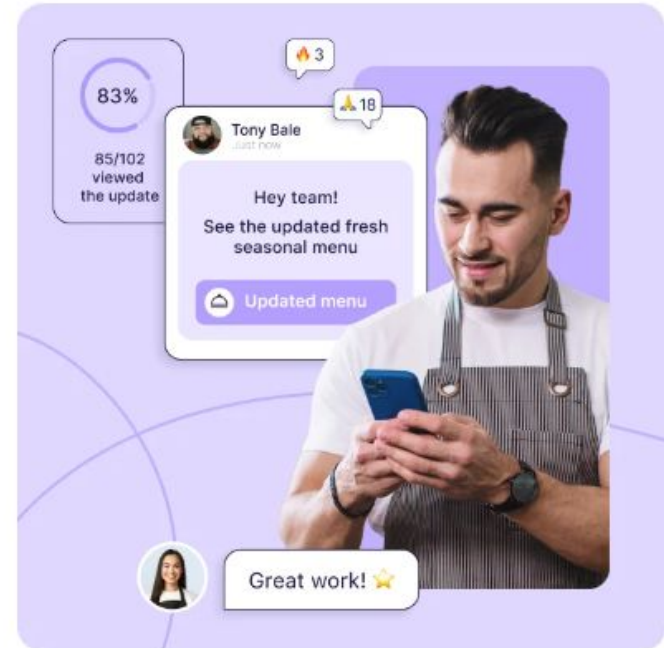

Communicate
bottom-up,
top-bottom, and
across teams

Keep internal
communication
records

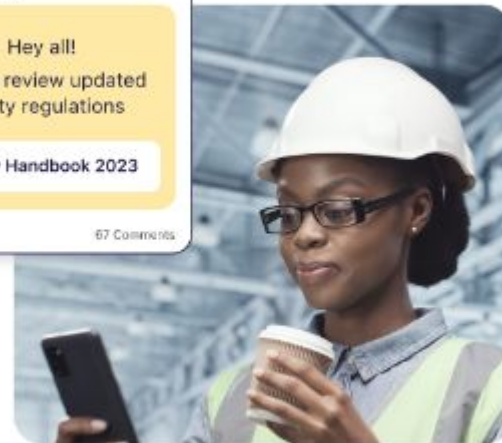

One app to keep your team connected

Instantly reach your entire workforce via chat and feed, put information at their fingertips with the knowledge base and directory, and foster engagement through surveys and events

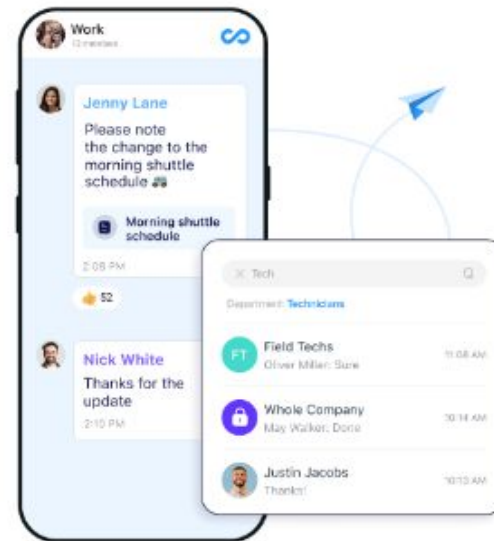

Share engaging updates in a flash

- Provide employees with a familiar, social media-like communication network
- Share company news and updates with everyone or with specific teams and departments
- See who read your important post and ensure your message gets across
- Boost engagement with GIFs, videos, and more and allow staff to react and comment

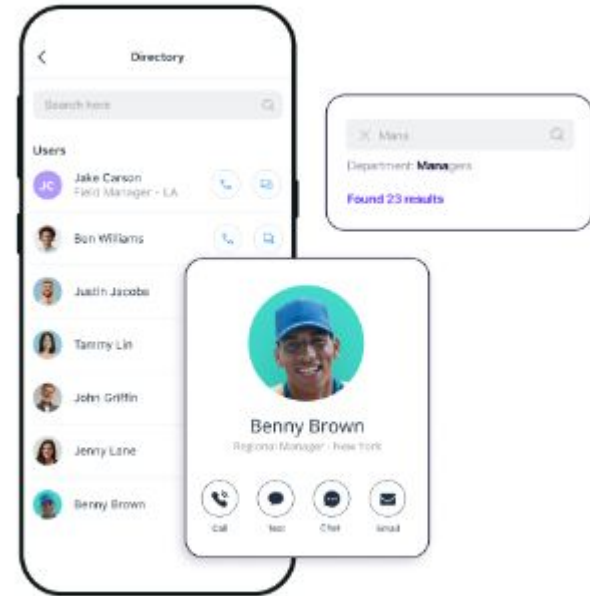

Your instant messenger for work

- Create a digital phonebook with all internal and external work contacts
- Let employees contact coworkers, clients, or suppliers directly from the app
- Easily find all the right people by name, department, role, or any other custom field
- Safekeep contacts within the company and control who sees what information

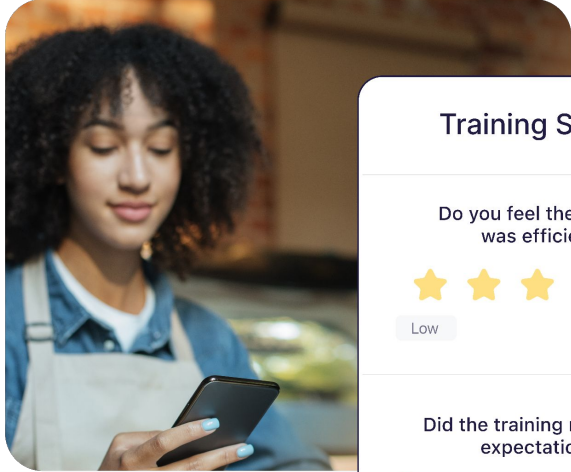

Have work contacts at your fingertips

- Create a digital phonebook with all internal and external work contacts
- Let employees contact coworkers, clients, or suppliers directly from the app
- Easily find all the right people by name, department, role, or any other custom field
- Safekeep contacts within the company and control who sees what information

Make your team's feedback accountable

Encourage employees to provide feedback, using surveys & polls, enabling you to identify room for improvement & growth.

Training Survey

Do you feel the training was efficient?

★ ★ ★ ★ ★

Low High

Did the training meet your expectations?

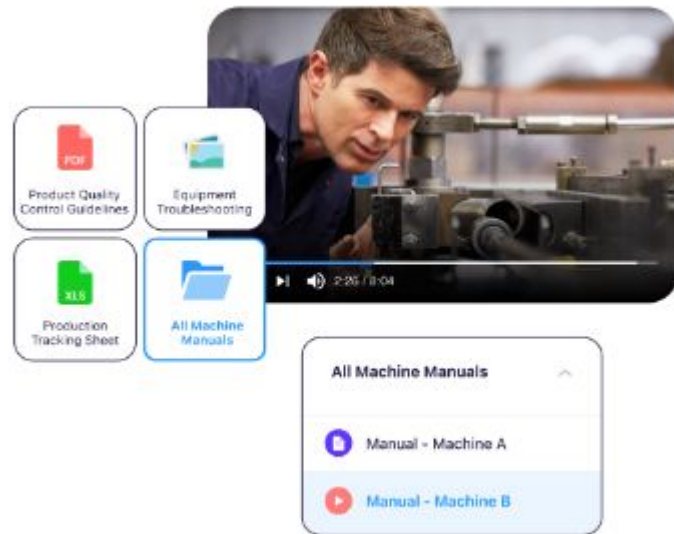

Yes No

Sign to confirm

All your company know-how in one place

- Centralize all company knowledge – from policies to handbooks
- Give staff mobile access to information they need to perform at their best
- Keep everyone aligned with a single, up-to-date source of truth
- Digitize your resource library, making everything easy to find and fully accessible

How this impacts your bottom line

Improve productivity by ensuring understanding of responsibilities & objectives.

Reduce turnover by fostering a sense of connection & belonging.

Improve performance & problem-solving with live communication channels

Boost customer satisfaction by understanding clients' needs & communicating effectively with them.

Reduce operational costs by streamlining processes & improving cross-company coordination.

Manage compliance & risks with clear communication of policies, procedures & regulations.
