

We've participated in APDA Optimism Walks, Moving Day Boston, and The Parkinson Ride and now we can bring our walk services to **YOU!**

Services we provide:

Art Walk-display of paintings made by people living with Parkinson's Disease displayed along your walk route or at a designated area of the walk.

Various Interactive Activities for Walk Participants- from our Punch Out Parkinson's Wall to our Parkinson's Puzzle Pieces, and Mini Smile Through Art Workshops.

Fundraising for YOU: We bring our Let's Combat Micrographia workbooks to walks and conferences. For every book sold during the event, \$5.00 is donated back to your organization!
