

Brian Cline Band

UNCOMPROMISING MUSIC WITH A FRESH APPROACH

AWARDS and TESTIMONIALS

"I just wanted to say thank you so much. You were so great and it was so perfect. It totally made the event. No one could stop talking about you in the morning. People were just in Love. I wish you were in Chicago, we would book you a ton!" *Ali Phillips, Event Planner and Happy Client, Owner, Engaging Events by Ali, Chicago*

"Thank you for being the best band ever! It has been a pleasure working with you and we will definitely be recommending you to our friends. Thank You!" *Jaquelyn & Andrew Peterson*

"We had the Brian Cline Band for our wedding recently in San Francisco. We can only say great things. They gave us a list of their songs to pick the selection we liked best and it was the same as their website so we knew ahead of time the genres they played. The song they played for the first dance was very memorable and a couple people came up to me and said when they weren't looking right at the band the music resembled the original song so much that they figured it was the original group up there on stage playing. The band interacted with the group and timed their breaks just right. They even handled our list of call outs of the bridal party that we gave them literally at the last minute and read everything out great. We really appreciated their friendliness, professionalism and talent, and we would recommend them highly!" *via YELP, Jeremy A, Groom, El Segundo, CA*

"Earlier this year were searching for a band to play at our wedding celebration. Brian was a great find! Brian and his band are terrific musicians and everyone at the wedding kept saying, "What a great band! Where did you find them?!" We found Brian's band on Yelp and were thrilled at their performance. At the wedding, we had Brian play acoustic music for the ceremony and reception, and then the wider band join later on in the evening. They play a wide range of music from 60s hits to contemporary rock which fit perfectly with the age range of our guests. Their sound is great, they were very professional, and really made the celebration that much more special. We highly recommend them!" *via YELP, Amanda Miller, Bride, San Francisco, CA*

"THANK YOU SO, SO, SO MUCH FOR EVERYTHING! Brian, I could not imagine when I began to plan the wedding that the music would be my simplest task. Thank you so much for making that the case and for not only being and absolutely incredible band - that the entire wedding raved about - but you are a truly good people and the level of professionalism you carried out from our first conversation until the last is something I will not soon forget and will share with everyone. Your smile and laugh was such a pick-up for me when the planning was going on- knowing

you were there to have a a great time and make the most fun of the evening was more reassuring than I can describe. We love you Brian Cline and Band- from the bottom of our hearts, thanks for being/making the night magical" *Shannon McDowell & Trevor Cherr, San Diego*

"Thank you, thank you, thank you to you and your band for doing such an extraordinary job at our wedding. We LOVED it!!! The comments that kept coming up over and over again were 1) "OMG, they are the best bend I've ever heard at a wedding" and 2)"Did you guys get to pick these songs? They remind me of . . . " Both comments were so great to hear, as obviously we were glad everyone had so much fun but also it was obvious that the songs you played meant a lot to our guests (whether they were songs we grew up with, listened to all through high school, etc). Thank you for working so patiently with us and being so flexible. We can't imagine it turning out any better!!!" *Josie Vitale, Bride, St. Louis*

"Brian, everything was fantastic. We have gotten sooo many compliments on the band so thank you for everything. Glad it all worked out. Thanks for helping make our wedding day so special." *Joanna Puglisi, Bride, Chicago, IL*

Thank you for making a great memory for us!" *Jeffiney and Steve, Bride and Groom, North Carolina*

"Hey Brian!!! We are back from the honeymoon (and back to work, sad!) I can't tell you how many times your band came up when we were recounting the evening's events, you guys seriously ROCKED. We couldn't have been happier. We keep getting rave reviews from all our guests of ALL ages. You guys absolutely nailed (a) Isn't she Lovely, (b) Have I Told you Lately, and (c) the Hava Nagela!!! We are so touched that you learned those 3 songs just for us and you did an amazing job!! You can go out and market yourself to all the Jewish couples now b/c it was the best Hava Nagela we'd ever heard!! Thanks for making our party a great one, and for keeping our guests warm by getting them out on the dance floor!! Next time you're in Chicago for your day job we'd love to meet up for a drink again!" *Katy and Brad, Wedding Couple*

"The Brian Cline Band greatly exceeded our expectations and were a wonderful addition to our wedding! I must say, their YouTube stuff does not do them justice! They really listened to what songs we wanted to hear and were able to feel out the crowd, everyone had a blast - our guests ended up more like fans and were screaming "one more song, one more song!" at the end of the night! The band also graciously worked with a family member of mine and allowed him to get up on stage and play the harmonica with them. This may have

been my favorite moment of the entire night! The Brian Cline Band definitely made our wedding special and I am so happy to have worked with them! Thank you for your assistance in recommending them! *Stephanie (bride), Houston, TX*

Thanks so much for making Dan Lynch's wedding a resounding success. "Dear Brian and the Brian Cline Band, thank you so much for performing at our wedding on August 31 at Auberge Du Soleil. Your music sounded amazing and the song list was exactly what we were hoping for. Thanks also for convincing Auberge to keep the party going! All the best." *Micheal and Ronit Blount, Wedding Couple- New York*

"I had to leave Lyndsey Black's wedding early for an early morning departure to NY and so did not get a chance to let you know how much everyone

enjoyed the band. I know that the venue set up was a challenge, but you handled it well and the BCB sounded great Now you know for sure you can play just about anywhere. Your voice gets better all the time. People enjoyed dancing to your music and my older friends were impressed that I knew you (I told them I was a groupie). I am sure you added much to Lyndey's wedding day memories." *Trudie Atchinson, Wedding Party - Napa*

"Thanks to our planner, Jackie (see Enchanted Weddings), we discovered Brian Cline Band. We had their full group - 6 musicians and a DJ. I haven't been to a wedding with a live band and we were excited to have the energy of live music. They completely delivered. We discussed our desires with Brian about a week before the wedding and he nailed it. The music was fantastic and the variety perfect. I loved the medleys. They were a great element to the wedding and I highly recommend them." *via YELP, Jacquie K, Redwood City, CA*

"I just wanted to contact you and thank you for the awesome job The Brian Cline Band did at Kara and Paul's reception at the Auberge on June 7th. Just as you stated we will not be disappointed and believe me we were not! We absolutely had so much fun and you were a huge part of that. It absolutely went by way to fast. We have now received all of our pix and we were able to relive and reflect on a day that we will never forget. We are so glad it worked out for you to help us with their special day and just wanted to thank you again and to wish you all the best in your future endeavors." *Susie Webb, Mother of the Bride - Tennessee*

"Brian, I just wanted to say that your band was outstanding for our wedding! Thank you for helping make our wedding so perfect. All of our guests have commented how great the band was and from the pictures, you can certainly tell how much fun everyone was having. There was lots of dancing and of course the famous "cow bell" number. Paul and I had so much fun. Both of us have always felt the band can make the wedding. Thanks again, you were wonderful!" *Donna and Paul, Bride and Groom, Napa*

"Not only did you guys get everyone on the dance floor, but you kept them there the whole evening. The energy level was great, and that was mostly in part to the music and performance of BCB. We had a great time, and everyone I talked to thought you guys were awesome. I agree." *Aleco Preovolos, Groom*

"I have worked with Brian for years now, and had Brian sing at my wedding, not only did I hear great things about his music and professionalism, but his voice is one that will always be in my heart." *Joey Jam Flores, Entertainment Connection, San Jose*

"Brian does a wonderful job meeting both time and talent requirements. His band is not the usual "cookie cutter" wedding music being played to boredom by many Bay Area bands. The band provides great energy and always meets client expectations. As the largest provider of live music in the Napa Valley, we frequently book the Brian Cline Band and they always come through with flying colors!" *Thomas Schoenberger, Associated Entertainment Consultants, Napa*

"One of our biggest tasks this year was to somehow turn the AdMARK around. One way of doing that was to revamp the ADDY Awards show. The Brian Cline Band played a significant role in our goal. In past years everyone would leave, if not during, right after the video presentation. This year there were people there till the very end. Time seemed to fly by. I received a lot of positive feed back about your band. Let me know if there is anything I can do for you. To your success " *Patrick Bynam, Director, AdMARK, Pleasanton*

"Since I have opened, the Brian Cline Band has consistently had the biggest draw of people in pursuit of dance and fun. I would book them whenever they like!" *R.J., Owner, Siena Red Microbrew, Sonoma*

"I just wanted to say thank you so much for playing at our wedding at B.R. Cohn. You guys did a fantastic job and everyone was raving about your song list and talent. If anyone is looking for a band, I'll be sure to pass along your information along with rave reviews from both Charles and me. Thanks again." *Kerry Hoeveler, Bride*

"I miss the Brian Cline band! They used to play in the Southbay a few years ago at local venues like Mountain Charley's in Los Gatos, Boswell's in Campbell etc. A great band to follow. Brian Cline is an amazing talent and they are so much more than simply a cover band. Brian's original work is fabulous as well. Sure wish they'd get a gig down here from time to time. Guess I'll have to haul myself all the way to Napa...and it would totally be worth the drive!" *via YELP, BJ, San Jose, CA*

"From Solo performances to the full band, Brian and the Band never fail to impress. With his blend of styles there is something for everyone." *Mark Leonardi, MLA Events - Napa*

"You were so great, people even said so the next day..." *Pamela Fishman Cianci, Outlined Productions - San Francisco*

"Just a note to say how much everyone enjoyed our party and liked your band. You gave us just the sound I was looking for. The young people don't seem to dance as much as the old folks, but the music made the party fun. I've told Peter Rudolfi how pleased we all were. Let me know when I can buy one of your cds." *Virginia Cole, Happy Client Throwing a Party at the Metropolitan Club - San Francisco*

"Thank you so much to the band for giving us great music and making our wedding so special. The guests really got a kick out of the music. There were a lot of sweaty people going home and to a dancer that's a really good sign!!! So thank you for playing such cool grooves for our party. I received a lot of compliments about not only your band but also the wide berth of music that we picked. Josh's mother didn't even want to eat because she was having so much fun dancing...and that was at the salad course! Thanks guys for rocking our reception and we wish you continued success in your industry!!" *Mr. and Mrs. J. McIntosh, Bride and Groom, New York, NY*
