

Little Fox Children's Therapy

Playgroup

About the Group

This group is designed for children who are preschool and kindergarten age. Our therapists will provide modelling and coaching on how to best support child development, including how to **promote communication and play skills**.

The group will run at a ratio of one therapist to three children.

Parents will be required to attend and participate in the group with their child.

Please note, younger siblings are also welcome to attend.

Expressions of interest

If you would like to provide an expression of interest, please contact us via email: admin@littlefoxchildrenstherapy.com

Goals

Depending on your child's stage of development, goals may include:

- Enjoying more toys and activities
- Noticing a play partner
- Allowing a play partner to join in
- Sending messages to a play partner in one or more ways and/or in different activities
- Responding when a play partner makes a comment/asks a question
- Sending messages to share interests with others socially
