To whom it may concern,

I am pleased to have this opportunity to write this letter of recommendation. My experience with The shopping stylist has been great. Lorenza and Alessandra arranged for us personal shopping service in October 2014.

Whole shopping process was nicely organized with attention to details -arranging private rooms with personal assistants in shops, aperitif on the terrace, collecting and transferring bags to the hotel. They have multiple experiences in the shopping and fashion field. They are professionals and courteous. It has been pleasure to cooperate with them.

Sincerely,
