

## Executive Session 7/13/20 Agenda Items:

- Crystal James remains on the board but **was not** appointed as Secretary due to concerns about conflict of interest with her job and concerns about lack of time that the secretary position will require.
- The Deed Restriction Amendment Committee will meet to clear up issues brought up to us concerning the Deed Restrictions and will communicate with our attorney to get them to a vote. If anyone would like to be a part of this committee, please contact Jim Bell at [jimbell1800@yahoo.com](mailto:jimbell1800@yahoo.com).
- Comments on the Survey will be compiled and questions answered. There are some things that are fairly easily done, some that are simply beyond the control of the Civic Association and some that are cost prohibitive at this time. We will do our best, but every action takes time.

Remember that we that serve on the Board are volunteers. We give our time to make the community a better place to live. However, we have personal lives too.

There are many of you that know that as homeowners, you can be of the most help to us simply by doing your part by paying your maintenance assessment on time, keeping your home and yard attractive and simply abiding by the deed restrictions and rules that are in place.
